DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My children,

It gladdens Me to know, from the depths of My Heart, that I will be with you again in this month of March so that, from Mother to children, we may share the Graces of God again.

It gladdens Me to know that you will gather, once again today, to pray and cry out for peace, Mercy and Justice for the world.

It gladdens Me to know and see the efforts that you made everyday, and especially during these last months, for your humanity and for the planet through the Prayer for Peace in the Nations.

It gladdens Me to know that there are decided souls, willing and adhered to the Celestial Hierarchy in order to be able to carry forward the manifestation of the Divine Plan on Earth.

For this reason, dear children, today I give you thanks from the depth of My Heart and My Face does not cry for an indifferent world today, but it cries with joy for the reception and the response of My children to the call of the Mother of God.

I impel you to continue building the Plan for these coming months, because greater and more determining challenges and commitments will come to all, so that you may keep maturing in faith, in prayer and in the inner communion with the Sacred Heart of the Heavenly Father.

Know, My dear children, that I am with you in the joys as in the difficulties, in the triumphs as in the defeats.

May the Love of God always reign in you, may the Love of the Eternal Father impel you to live the challenges and to transcend the crucial tests of these times.

I am with those who pray, with every heart and soul that opens day by day to discover the mystery of praying with the heart.

Let us keep walking firmly towards the goal because the planet and all of humanity need beings of love, souls that live love and spread it in order to be able to dissolve the pain and the suffering generated by the chaos and the wars in the nations.

But remember, My children, that at the end of everything, My Immaculate and Maternal Heart will triumph.

I thank you for responding and for living My call!

Who blesses you under the Love of God,

Your Mother Mary, Rose of Peace
