Little children,

Remember being as children so as to be in the Victorious Kingdom of the Lord. With your pure hearts you will find the doors to the Heavens. In the prayer of the Heart you will find a lovely refuge that I prepare for you inside My Immaculate Heart.

And if you are in My Son, the Master of Love, you will know the outpouring of His Grace and His Mercy for this new time that comes for humanity.

The harmony in your hearts together with the act of daily prayer helps to dissolve the great evils and sufferings that many souls live. So that the Light of Christ will be present in each life on Earth you must, in the prayer of the heart, give the permission so that mercy may act in the world.

The Fountain of Divine Mercy needs praying missionaries that can answer the call for peace that My Immaculate Heart pronounce to the world, an urgent call for the reparation of all people, believers and atheists, those who need the Grace of redemption to be able to be in the omnipotent reconciliation and mercy of God the Father.

For all this dear children, My Marian Voice calls you to live the time of true and constant prayer for the souls of this world and for the souls from purgatory.

Every creature of this age that was born from the Heart of God, but that has come by other paths to insurmountable trials and learnings, all of them must become able to be rescued and saved for this time.

My Maternal Heart invites you to convert yourselves into continuous prayer so that each of your lives represents a flame of prayer for this current humanity that must reach the Grace of conversion.

My Marian Spirit is with each one of your hearts that form the groups of prayer and also with those children who in solitude pray alone.

My Merciful Heart wants to touch with Its Light all creatures that are on the face of the Earth because I want to bring all to the Kingdom of Heaven.

Thank you to all praying souls, for answering My maternal call.

I thank you!

Mary, Mother of the Divine Conception of the Trinity.
