**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children of Mine,

Anywhere on Earth where a soul celebrates today, together with My Son, the Last Supper, it will receive the Grace of transformation of its being. In this way it will avoid, in the times that are to come, to deviate itself from the path that My Son has offered you since the beginning.

For this, on this day, be witnesses of the great universal event in which you are called to participate and, in this way, to say "yes" to the Celestial Father.

It is important, children, to understand that, when every year the memory of the Last Supper of Jesus with His Apostles is celebrated, new doors of redemption, of mercy and of spiritual rehabilitation open to all those who wish from the soul and from the heart to cross them. Behind them you will find the pathway of reintegration into the path of Christification.

For this, dear children, once a year, when the Sacred Supper of the Lord is celebrated, the Universe donates Itself entirely and all the universal laws stop so that the Mercy reached by My Son may be able to be poured over all that is very impure and that seems irreversible.

Wake up to this moment in which, all of you, as worthy Children of God, will be depositaries of the same gifts that allowed the redeeming mission of the Son of God to be fulfilled.

Today I open My arms and your Celeste Mother receives you in Her Immaculate Heart, inviting you to renew yourselves and to confirm the mission that the Eternal Father entrusted you by the means of the vivification of the Passion of My Son.

In this time you are led to understand the mysteries of the Universe through the voice of the Celeste Messengers. For this, with spirit of joy, raise your supplications to God and receive on this day of the Secret Supper the keys that the Lord will give you so that, when the time comes, you may open the doors that will lead you to the Paradise of God.

While you are this world, much must be done in the name of the Lord so that at least one more soul may receive the opportunity to wake up to the Infinite Universe that waits for it. This, My children, will be possible through your consecration and constant search to remain fused within this Gran Infinite which is the essence of Love of Adonai.

I thank you for answering to My Call!

Who reunites you on this day around the Sacred Table of Jesus,

Your Mother Mary, Rose of Peace
