DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

The first step to concretize a request from God is faith.

The second is love.

The third is unity with your brothers and sisters and of everybody with God.

The fourth is perseverance when facing the first tests.

And the fifth is overcoming, in the face of each inner resistance and each external challenge.

Trust and have faith in the Divine Will. Love the Plan of God, even though you do not understand it. Allow yourself to be surprised by the magnitude of the Will of the Creator, and how he traces the path of human redemption.

Those who know how to obey the Father fulfill their souls in the concretization of His Plans.

For this cycle, children, invoke the protection and the support of Saint Teresa of Jesus, because her pioneering spirit knew how to respond to Divine Will in each instant of her life. And the difficulties and the challenges did not matter: her adventurous soul always continued forward. In this way, the inner steps taken by her spirit opened the doors for humanity to continue having an opportunity to live and experience Christic Love.

In this cycle, the Creator asks great things of you, because the time has come to forge in you not only an experience of love, but also the manifestation of the Christs of the New Time. This begins by loving the Plan of God and unconditionally obeying His Will.

You have my blessing for this.

Your Father and Friend,
