DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF MANAUS, AMAZONAS, BRAZIL TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

While the spaces in the inner planes are prepared for the descent of Mercy, at the same time your Master and Lord withdraws from the Source of the Sacred Chalice the codes that will be deposited and placed in the souls of the Amazon, those who will feel encouraged to be present at the meetings. The space offered for this next Marathon is widely in accord with the task that your Lord must carry out during the coming days.

It is thus that the Sacred Chalice of the Lord will be especially brought by the angels, so that a divine alliance may be established again between souls and God, between the Kingdoms of Nature and humankind, although in the coming time the great forest of America may continue being subjugated.

That which will be built by means of the Marathon will be deeply spiritual and not external. In this way, the effect of that inner construction will bring strength to the original peoples so that they may continue protecting and defending the sacred Eden of God.

Also, at the same time, that inner fortitude will unexpectedly awaken those who try to exploit the sacred nature.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
