DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

O, Most High Lord, kind and merciful to all creation!

Today I ask you to place Your divine Wisdom where nothing is clear, to place Your sublime Peace on those who have truly lost it, to place Your Hands to heal and dissolve from the hearts the deceits and adversities of evil.

I ask you, Lord, for each one of My Children. Today, especially, for those who have the sacred commitment to follow the humble footsteps of Christ.

Deposit within each one of those who self-summoned the grand feeling of Your Humility so they can feel inside the true commitment to the sacred task of preparing the return of Christ.

Lord of Justice, appease this Law upon those who deserve to receive it and who by the divine action of My Grace are under Your holy protection.

Trust, Lord, in the wonderful and incalculable value of every essence of the creatures that You created.

Remove from the path of darkness and lies all those who are led to enter it.

Grant, Lord, that each committed heart may vivify Your Plan with gratitude, joy and strict obedience so that all may be protected by the presence of Your Most Holy Spirit.

Amen.

I thank you for having responded to My call!

Who blesses you,

Your Mother Mary, Rose of Peace.
