**DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

I would like to make a special tribute on the opening day of the Sacred Week, giving My thanks and reverence to José Trigueirinho, for having opened the doors of his heart and of this Light-Community for having allowed My Presence and My Message to reach the whole world from this sacred and blessed place.

For such a spiritual and special reason, for your Master and Lord, on the opening day of this sixth edition of the Sacred Week, I come to ask the choirs to offer, from the deepest and innermost core of their hearts, the song "Breath of the Spirit", so that the souls gathered here today in this sacred home may receive within the deepest of their inner worlds the fruits of Figueira that were harvested during this last time period, by means of the spiritual merits that their brother and instructor José Trigueirinho attained.

It will be thus, that through the song "Breath of the Spirit" we will reignite fiery devotion, love and unity, by the grace that this Light-Community of Christ received when Heaven touched the Earth.

Let us give a tribute to the serving and untiring soul of José Trigueirinho, for having dedicated his life to the manifestation of the Plan of God on Earth.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
