MESSAGE FOR THE APPARITION IN THE MARIAN CENTER OF AURORA, TRANSMITTED BY MARY, ROSE OF PEACE AND QUEEN OF THE DIVINE VERB TO THE VISIONARY SISTER LUCÍA DE JESÚS

While the world sleeps a deep sleep of illusion, I call you to a true awakening.

While many see the hells opening up and burn in the fire of eternal suffering, I come to show you the Kingdom of the Heaven and give you simple keys that lead you to the Eternity of God.

While the world demands efforts from human beings to win in competition with others, I ask you to struggle to overcome yourselves and to be defeated by the Power of My Son.

While the world asks you to suffer in order to acquire material goods and that you give every last drop of sweat from your brows to build your own material kingdom, I come from Heaven to tell you that nothing that you accumulate in this world will enter My Kingdom, and whoever wants to follow in My footsteps must divest themselves of everything and leave to the life of illusion what comes from it and belongs only to it.

I come to the world to change the laws and reform human concepts. I come as Queen of Heaven, the Mother and Lady of Creation, to place you once again on the path that leads you to the Consciousness of God.

I am here to make you unlearn, die to the world and be reborn to the life of the spirit. But many prefer to continue holding on to their own will and tendencies rather than following the Voice of God, manifested on Earth through His Messengers.

Many believe they are following the path dictated by God by the simple fact of listening to My voice, and I come to tell you that until you live My Words, in the path is being trodden, and you will be deceiving yourselves when being in My presence and believing it is enough to come to Me.

Children, today I tell you that, throughout the history of humanity, many stood before Me, but the urgent need to follow their own aspirations was greater than the willingness to follow in My footsteps, and until today, after so many centuries of existence, humanity continues to run the risk of not accomplishing the Plans of God, and the majority of humankind does not fear losing their evolution, because they do not even recognize the existence of that evolutionary path.

With all of this, I want to tell you that I do not just look forward to seeing you before Me, because that is not enough. What is gained by coming to meet Me if after a few minutes, you will again be submerged in the energies of this world and are not capable of choosing brotherhood in the face of competition, understanding in the face of anger, love and forgiveness in the face of indignation?

To live My words, My beloved ones, is not to accomplish great heroic deeds of sacrifice and of conversion.

I want to see you choosing the Path of God when the adversary tries to convince you to follow its steps of dissociation. I want to see you saying 'no' to the illusions of this world, and 'yes' to the fulfillment of the Plans of God. I want to find you searching with all your strength for the path of Light, being a beacon for those who dwell in the darkness and not falling into the same abysses as your fellow beings.

My voice will not echo in the world for very long. God asks Me to announce the coming of the times of transition to beings, a moment when humanity will have to choose, by itself, to follow the Plans of God rather than their own. It will be only in that moment, when the power of love for the Creator is greater than the forces of chaos within the self, that His Son will cross the Heavens and will descend from the clouds, announcing His definite victory.

My beloved ones, do not play anymore with the path of evolution, because there is no more time. It is time to define yourselves.

I love you, I guide you and awaken you to the manifestation of the Plans of the Most High.

Your Mother Mary, Rose of Peace and Queen of the Divine Word
