MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

May My Peace be established in the world, and may this Peace reign in the hearts of all humankind and in the essences of all Kingdoms of Nature.

My children, I invite you to a deep process of inner peace to thus defeat all adversities of these times. Only Peace held within creatures will allow them to live the times of great tribulation in the world.

Know, My beloveds, that you must learn to overcome your own inner conflicts through peace; to learn to let the reign of My Peace be greater than any tribulation that the purifications and assaults of these times may cause you.

I want you to know that the plans contrary to the Plans of God will always seek to destabilize My soldiers and defeat them through tension, conflict and the weariness of their hearts.

This is a time in which learning stages will still take place, in which you may fall and stand back up again and again. Therefore, do not tire of overcoming your own tribulations to establish peace within yourselves, thus allowing it to reach the hearts of other beings of this world; because in the time that is to come, this peace must already be established within each one of you so that in this way you may experience a greater trial, which is to establish My Peace in the moments of planetary chaos.

My beloveds, do not allow confrontations to draw you out of My refuge of Peace, because the absolute power of My Love and the compelling force of My Holy Peace are greater than any confrontation that you may experience in this world.

As Rose of Peace and as Mother of Jesus, I want to teach you to be peacemakers in the face of any situation in your lives.

Remember, My children, the example that I set for you when I saw My Son being flagellated and crucified, for even knowing that assaulting the Son of God was the greatest injustice that was being committed in this universe, My Heart never lost Its peace, for It never lost Its trust in the Creator of all things who called us by name to fulfill His Plan, and who will always guarantee that each event in our lives will bring us the exact learning experience that we must have.

For these times and for the times that will come, remember that My Peace must reign within each one of My children and that, through them, this Peace must be expanded throughout the world.

Today you are under My Mantle. I will protect you and will welcome you always; I will safeguard you from evil and will heal your spirits and your hearts when you are weary of this battle in order to establish the Reign of the Lord throughout the world.

My beloveds, do not give up, but rather proceed with confidence. Understand the Calvary, which many are experiencing, as the only path for the re-establishment of Mercy among beings. But for this, you must travel this path without losing sight of the Will of God and of His great Plan of Love, which must be reflected in your essences as pure love.

I love you and I bless you.

I give you My Peace; take it to the whole world.

Your Mother Mary, Rose of Peace, Queen of Peace and of the world
