DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

While so many of your brothers and sisters in the world surrender to the capital energies, believing that the meaning of life is kept in pleasures, in false joys, and in conveniences; surrender yourself to the Heart of Christ.

While so many of your brothers and sisters in the world surrender to self-sufficiency, believing that freedom is in personal will and in excessively carrying out what human impulses always dictate to them; surrender yourself to the Heart of Christ.

While so many of your brothers and sisters in the world surrender to wars and conflicts, believing that plenitude is to be found in imposing their own thoughts, feelings, and beliefs on others; surrender yourself to the Heart of Christ.

While so many of your brothers and sisters in the world surrender to fear, to depression, to sadness, believing that life on Earth, as they know it, is the only thing that God offers them as experience, not finding a way out of the darkness they have entered; surrender, yourself, to the Heart of Christ.

While so many of your brothers and sisters in the world surrender to the human condition, in a constant struggle for power and for survival, ignoring the Truth and the Kingdom of God within themselves; surrender yourself to the Heart of Christ.

Do not look at what happens around you with eyes of criticism and superiority because, unknowingly, you will be letting yourself be conducted by the same forces and impulses that move the hearts of those who get lost in their own darkness.

May everything be a reason for you to surrender yourself more to the Heart of Christ, make your surrender ever more sincere.

Let compassion for the world emanate from your heart and learn to transform compassion into true Love, deepening yourself, each day, into your surrender; surrendering your heart to the Heart of Christ.

Your Father and Friend,

The Most Chaste Saint Joseph
