**DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN FÁTIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

So that the religious orders of the world and, especially, those consecrated in this time are able to overcome and transcend the definitive times in themselves, I come to ask the Grace Mercy Order for the reparation of the Eucharistic Heart of Jesus on Saturdays; so that My adversary does not continue to push My disciples with its tail to make them fall into the abysses, and so that the Heart of your Sweetest Redeemer may be consoled by all those who, in the religious and priestly life, lost the Gifts of God through the influences of the tests of these times.

I at least hope that the consecrated life in the world will continue to be a bridge that leads souls toward God rather than to a pigpen of squalor and adversities.

My wish is that, through the divine merits of My Sorrowful and Extreme Passion, your religious order, on Saturday at three in the afternoon, will offer a group prayer to Divine Mercy, irrespective of the place or moment when you meet.

If you respond to this request of your Lord for an unspecified time, the Saving Grace of the Father will descend over hundreds of clergy in the world, and the great temptations and disobedience of these times will be dissolved, for I will place My Hands over the one who pleads in My Name and they will no longer be an instrument of spiritual distortion, but rather a balm of love for My Heart.

I come to ask that, on the Saturdays of reparation, you have a collective adoration with all the members of your Order, which will also calm the indignation of God because of so many deviations that many clergy experience in this cycle.

If that request is done and nobody fails to fulfill it, I promise you, through the fruits of My unfathomable Mercy, to rescue the male and female clergy who fell into temptation and are lost.

I thank you for holding My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
