WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN the Marian Center of Figueira, Minas Gerais, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

May consecrated life represent, to all those who follow this path, the beacon that illuminates the night on the face of the Earth.

May consecrated life be the bridge that unites souls to God through the experience of the Sacraments.

May the consecrated life reflect the Living Face of Christ so that those who most need love and peace will find it through the consecrated life.

Let us remember that consecrated life, in spite of going through its moment of purification, is part of the Mystical Body of Christ and that, being part of My Son, consecrated life has the joy of receiving an Extraordinary Grace from God.

May all consecrated life continue to walk, through faith, in the ardent quest to serve the Lord and to be close to His Divine Consciousness.

May consecrated life be strengthened and affirmed on this planet, so that the existence of the New Christs may soon become a reality.

I pray day and night for all consecrated life, so that it may be an instrument of peace and charity in the world, so that it may reach those who suffer the most and endure the absence of peace and love.

Through consecrated life, may My Son prepare His Return to humanity, because consecrated life will be the space where Christ will affirm His next Work of the redemption of the world.

To all those who aspire to consecrated life, may they aspire to live it, for it is in the depths of their being that Christ must govern and work for the whole world.

Consecrated life is the flame that can never be extinguished on the entire surface of the Earth.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace and Mother of consecrated life
