**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,  
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

Today I call you to enter, through your hearts, into the Eternal Light of My Son. Today I call you to live the attribute of reverence and devotion to the Most Holy Heart of Jesus.

Dear children, through the permanent act of the prayer of the heart you will be able to approach the Universe of the Love of God. It is through Christ that you will be able to reach God, Heaven, the Universe of the Creator.

Christ, dear children, is the Celestial Door that in this defining time opens before the reality of all the souls. When your hearts enter into the Kingdom of Jesus Christ, your lives will be able to be participants in the actions of charity and giving.

My children, in a time that runs quickly in humanity, I invite you to experience the Heart of Jesus, I invite you to form part of the Heart of Christ and of His loving redeeming path.

Dear children of God, today I am calling you to convert yourselves into new disciples of My Son through the sincere act of prayer because in the strength of prayer and united as hearts of the Father you will help the planet and humanity, in the name of peace.

My children, for this reason, today is the moment for your consciousness to give the definitive "yes" to the consecration of your hearts to the Sacred Heart of My Son.

As little children, I am guiding you. As souls, I am elevating you close to My Son. As hearts in redemption, I am loving you.

Dear children, accept with your heart this important invitation to live definitively in Jesus because, in Christ, the life of many souls will be able to find a meaning and, thus, you will find the loving Will that God has for each one of My children.

Dear children, your prayer counts much for Celestial Grace to be able to descend. You are in time!

Pray for all the religious people.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
