DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Now the time has come for the human hearts to become consecrated hearts, just like Saint Joseph managed to do.

May the example of the simple carpenter of Nazareth motivate you to be able to find the transcendence of the human condition, accepting imperfection, but transforming it, day by day, just as Saint Joseph lived it.

May the example of His chastity and impersonality invite you to seek the same path, so that you may continue to go through the challenges of consecration and the aspirations of the soul.

Unite to Saint Joseph and be laborers of the Plan of Love. Build the foundations of the new and renewal will come.

Imitate Saint Joseph in His steps of humility. May your hearts be resigned, but empty hearts, full of service and of clarity, just as Saint Joseph has expressed it.

On this day, while the task of Saint Joseph is closing, may all His instructions be alive within you and, being blessed by the Chaste Saint Joseph, may your souls renew their vows with the Plan of Love of the Celestial Father.

But remember, Saint Joseph will continue to bless the world.

Now the time has come for each soul to live the same path that Saint Joseph lived. It is an inner invitation for those who may want to learn from the example of Saint Joseph.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
