DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Rejoice your hearts for the Eternal Presence of My Son, and because each one of your lives is partaking of the Table of the Lord in this Easter of Christ.

Dear children, therefore today I invite you to prepare your lives through true prayer done with the heart; this will allow you to live an Easter of inner communion with Christ Jesus.

This path of reconciliation and merciful forgiveness that you are being called to live must be lived in the name of all of humanity that throughout times has offended God. To alleviate the Heart of the Most Beloved Father I invite you to experience, during this week of Easter, an unknown state of peace and reconciliation through daily prayer.

In this way, My children, your hearts will commune at the table with My Son, being thus able to witness His Sublime Heart of Peace.

I invite you to live Easter once again, because you, as souls of humanity, need a quick conversion of the heart so that the Father, in His Infinite Celestial Grace, may manifest His Will through the instruments donated and transformed by My Immaculate Heart.

Dear children, if in truth you knew how important this Easter of the New Era is, your hearts would live in profound joy and praise. The Presence of My Son, through the Sorrowful Mysteries, will lead you to understand and to live the passages that echoed in the universe through the surrender and the sacrifice of Jesus.

My children, may Easter awaken in you the courage of wanting to be in My Son, in His arms of Mercy.

Dear children, the commitment of each of you is to live this Easter with the heart, being able to transmit in this way the importance of this moment of forgiveness and reconciliation to each one of My children.

Confess your hearts with My Son. Live in your lives the Sacred Heart of Christ. Sing in Glory the coming of the Redeemer.

Thank you for responding to My call.

Eternal Light to the lives of all My children.

Mary, Mother of the Divine Conception of the Trinity
