DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

The Almighty God proclaims the power of His Word through My Immaculate Heart. This Sovereign Power shelters you in the favorite bosom of His Most Pure Heart.

Children, through the magnitude of the Divine and Creator Word forms are constructed and thus, the divine and superior life is expressed by means of the existence of the creatures of this vast universe.

It is through the souls that Adonai accomplishes His Magnanimous and Infinite Work because, in every spiritual science, the life of all souls and essences is the main reason for the existence of the Plan of the Creator.

It is through the divine intervention of the creator and celestial angels that the Divine Thought is manifested throughout the dwellings of all the Heavens. From there comes the fundamental essence and the major principle that allow the accomplishing of the projects thought by God.

And the souls of the Earth, how do they participate in the origin of this principle?

It is enough, children, that you simply recognize yourselves every day as worthy children of God and that you fulfill the commands that come directly from the Creator Mind towards your hearts.

You, My children, are a very important and a remarkable part of the indispensable attainment of this project. Since the beginning of this humanity, God thought about concreting His most intimate wishes through the manifestation of the soul of creatures.

Your soul is the direct bridge that will unite you to the infinite dwellings where are expressed the life of the spirit and the sublime experience with the law of Love and Unity.

From your roots and your origins emerges the principle of The Whole and from this Whole is born the will to perform tasks that never end. Because in the Heart of the Celestial Father, you are in first place of His Most Pure Purpose and, without you, souls in redemption and rehabilitation, the coming of the New Humanity and of the new soul will not be able to awaken.

You, My beloved, are at the exact moment of a transition that has not started yet. Embrace in your interior the Grace of belonging to the Plan of God and, being aware of the divine laws which rule you every day, be thankful. In this way you will be worthy and deserving of waiting for My Beloved Son in some corner of your consciousnesses and souls.

Through My Divinized Spirit, I let you know about the existence and the reality that gathers you and expects to find you prepared to testify that now you are faithful children of the Creator.

Opening the doors of the Infinite Heavens, last opportunities will be poured out as Graces into the

hearts of the righteous and of the sages. Be like Moses, who was faithful to the requests of the Lord, and who, in spite of his walk in the desert for 40 years, never lost faith and hope.

Despite everything, Moses did not feel abandoned and he built in his inner self the perfect union which led him to find the Plan of God above every difficulty. The unbreakable faith of Moses maintained the peoples of God united in the origin and in the principle of their lineage and of their purpose.

It was this faith, which Jesus once lived for all, and the hope, that permitted to accomplish, in spite of all evils, the primary objective: the future emerging of a New Humanity.

In this way, My silent and calm Heart learned that in the absolute faith there are no barriers to concretize what God requests even though it may seem impossible.

Now, children, you are before a spiritual science that invites you, by means of prayer, to awaken to all that exists in the dwelling of God. If the world opened to recognize its true identity with the Universe, the whole race would already be at the school for the New Christs.

I thank you for opening to discover your own and true call from God. The Universe shelters you always!

Who gathers you at the Cenacle of the Angels of Light,

Your Mother Mary, Rose of Peace
