### WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children:

Once again, I invite all of you to prepare, in your homes, for the coming of Christ into every human heart in this coming Nativity.

I invite you, in a special way, to prepare your mangers so that, like the Holy Family of Nazareth, you may await the coming of the Child God.

This loving gesture of My children, by dedicating a space to prepare the manger, will allow the celestial doors to open internally on the planet so that all of humanity can be helped.

Therefore, in the name of the Nativity of the Lord and out of love for all families, I wish that in the preparation of the manger in every home the Light of the Holy Star of Bethlehem may begin to shine.

This union with the spiritual symbol of the Holy Manger will help millions of families in the world; families that, as cells of the Project of God, in these times go through countless painful situations and learnings that need the balm of peace and God's relief.

In the preparation of the different mangers, in the homes of the world, the members of each family will be granted, for a moment, the spiritual grace of being before one of the most important acts of Love and Mercy in the history of humanity.

I would like, as a Mother, that this coming Nativity of the Lord be celebrated in reconciliation and forgiveness for all families going through the horror of war in their peoples and nations, as well as those going through war in their own families, so that the Holy Spirit of Peace, of that Peace which filled the Grotto of Bethlehem, may be present in these times in all families.

Remember, My children, that families are the future of the New Humanity. Therefore, we must pray for families so that each family may reach the expression of God's burning desire.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
