APPARITION OF THE GLORIFIED CHRIST JESUS, IN SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN, DURING THE 19TH MARATHON OF THE DIVINE MERCY

My cousin John baptized you with water, but I baptize you with the Spirit of God.

Blessed are those who congregate to remember My passage on Earth.

Today I come in the holy company of Elizabeth, John and your Mother Mary, congregated by the Love of God, participants in this infinite encounter between the souls and Heaven, between hearts and God.

Joyful are those who were willing to be baptized, like those who asked to wash their feet to erase the past and the pain of their lives.

In this way, My companions, I do not come to institute a new Church, but to renew the Sacraments in a simple and pure way, as I taught the apostles in the past.

The Sacraments will serve as salvation for souls, but also prayer will serve for your conversion.

Before My Eucharistic Heart, contemplate My glorious, merciful and redeeming Face, which I bring from the universe for all.

Elizabeth accompanies you in the spirit of Love. John accompanies you in the consecration of your hearts. My Mother congregates you to join Me, because in this place, My Most Holy Mother instituted Adoration, a commitment that is a part of everyone so that this humanity and this city may be liberated by My Mercy and not by My Justice.

While you are aware today, a great part of humanity sleeps in illusion because many lose their faith for not finding Me in the ancient priests. But I am present in the Sacraments, which are the Source of Life and renewal for all.

In every Sacrament you find a key to access My Heart, because My Rays permeate every one of the Sacraments. I provide the renewal and healing, the transmutation and liberation of your lives.

Therefore, every time you ask for a new Sacrament, meditate for a single moment on what you will receive, because it is something sacred and blessed that I offer to Mine.

Therefore, celebrate and rejoice when every new brother or sister is baptized and blessed by the Sacraments of God, because they will be receiving them on behalf of all humanity.

Your hearts and essences are unique in the Eyes of God.

My companions, in Heaven and in the Universe there is no separation between souls. I come to unite you in this time. I come to unite you through Love and Truth, for the enemy has taken it upon himself, at this time, to turn away from My paths the good hearts that must achieve redemption.

Today think of Saint Elizabeth and Saint John the Baptist, two great Missionaries of the Celestial Universe, guardians of the holy Sacraments of God from the moment of My Ascension to Heaven.

Therefore, My companions, may your thirst for seeking Me never end. I am not only present in the Sacraments, but also in hearts that seek unity with God all the time. I am also among the little ones, among those who cry out for redemption and peace.

This world must be liberated, My friends, and through your sincere consecration that will happen.

I am also present in these times, in the tests that each of My children is experiencing, because through suffering and tests I come to strengthen you in the love of sacrifice, surrender and liberation.

I leave you on this afternoon of Mercy My Graces, in the Most Holy Presence of Mary, John and Saint Elizabeth, who have been gathered in this universe, in this space and in this place, so that your hearts may shine in perfect fusion with the Spirit of God.

Continue to pray every day. Do not tire of praying for Mercy. Remember that you will be praying for those who do not pray and do not love God. Therefore, I need you at this time, steadfast and willing.

I will come to meet you when you allow Me, because I live in each of your hearts. I must have a place in your essences so that the evil that disturbs them may be released and thus the Grace of God may reign in many hearts that need it.

Today I expose before your hearts and spirits My Most Holy Eucharistic Heart, which is the true Sun of the Celestial Universe, the true reason for your lives and paths.

Therefore, today I gather you in the spirit of renewal and faith, so that the hope of continuing to pursue it may prevail in your consciousness and that My Mercy may not be lost in you.

I have left a seed in this place that must be sown carefully, for from it new fruits will be born and new hearts will come forth, in a constant search for redemption and liberation.

I thank you for your efforts to adore Me every day. This is the greatest sacrifice that I adore, when the souls contemplate Me with sincerity and enter the Essence of My luminous Heart, through the Most Holy Sacrament that I expose to the world and humanity in all tabernacles on Earth. Remember My Presence in the tabernacles. Remember My Presence in your inner tabernacles. There, I am always present, and when you call Me, I will answer you.

I open My Arms and extend My Hands over you.

Place your palms upwards so that I may bless you and, in this divine and spiritual magnetism, your essences may be united with My Heart.

Friar Elias del Sagrado Corazón:

He says that He is praying for us, that we just listen.

Mighty Lord of the Universe

that congregates all souls,
that gives life and eternity,
I ask you, beloved Father,
that you take care of these disciples of Mine,
so that being walkers and servers,
always find their way back,
way back to Your Celestial Home,
to Your infinite Dwelling of Life,
principle of Love and Unity.

Contemplate the Glorified Jesus, He is present in simple hearts. For I still hope that all beings will know My new Face, so that all may have Me present in their homes and always remember that I am the Shepherd of souls.

I wish I could be with you longer, but I must help the whole world and the humanity that is fallen into the hellish abysses of this world.

Yet through your merciful prayer in these days, your care and your love for Me, many souls have been elevated to Heaven and many have entered the ocean of My infinite Mercy.

Engrave in your consciousnesses and hearts My Most Sacred Eucharistic Heart, the Sun of your salvation.

Silently, make a petition to My Heart, a request or a plea that I will raise to Heaven at the Feet of the Celestial Father.

I thank you for sharing this time of Adoration with Me.

As I rise up, I will listen to your songs. When they are true and loving, they alleviate the Heart of God and serious faults are dissolved, Mercy is installed and poor hearts are resurrected.

Dear companions, after being blessed by the Water of Life, receive My Glorified Body in reparation and forgiveness, through Communion with My Blood and with My Body.

Remember that I will always wait for you. My ocean of Mercy is available to all. Just seek God and His Love. Thus you will gladden My Heart.

Go in peace and give thanks to the Eternal Father.

In the name of the Father, the Son and the Holy Spirit. Amen.
