**APPARITION OF CHRIST JESUS DURING THE SACRED WEEK, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Venerate and adore the Crucified Lord:

---

*For the martyrdoms endured,*

*for the pain transmuted,*

*for the victorious Mercy achieved, Christ Redeemer, free us from the ties.*

*Amen. (x3)*

---

Today I came here, showing My Side to the world, from where what is most unfathomable emerged for all and from where it continues to emerge for all of humanity, up to the last days of the Earth.

See the Lord in seclusion, preparing for His moment to be able to rise in more hearts that are dead and do not live Me.

See the Lord together with His Choirs, penetrating the abysses of the Earth through the remembrance of His Crucifixion, for the salvation of humanity and the liberation from all its sins.

See, at the foot of the Sepulcher, the Guardian Angels in adoration, so that the Son of God may soon return to humanity.

I invite you all to venerate My Cross as a victory, as the realization of the Work of the Most High in those who know how to distinguish the wonders of the Messiah, of their Lord.

At My right, the Archangel Metatron, today dispelling the abysses of the world and the darkness that embraces sleeping hearts.

His violet Flame renews all things.

His Light illumines what is dark, in union with the Favorite Son, your Lord Jesus Christ.

Let this flame, companions, pour into your consciousnesses and souls.

I call those who have consecrated themselves to Metatron for this planetary task of liberation.

See the Aspects of God Resplendently manifested and as Light over the world.

In this time of human cruelty and of profound indifference, remove from your hearts any lack of union with yourselves, or with your peers.

Let this Fire of Metatron descend into your spirits so that it may purify them and uplift them to My Kingdom

See the burning spear of Metatron in His sacred hand, which decrees the powers of Heaven and unifies them with all souls.

See that Solar and violet Fire that descends upon the world, in this time of conflict and lack of Peace.

See the wonders that the Holy Father Metatron carried out through My Cross against the demons of the world and the infernal beasts that cause lost hearts to succumb.

He is the transformer of corrupt matter.

He is the fire that sublimates the frictions among hearts.

He is the Unifier of thought between consciousnesses and the Patriarch of the chosen.

He is the carrier of the universal message of the Triune Flame, the incandescent fire of the liberating fire of all forms.

Today see My Cross as a great victory rather than as a failure, as many believe in the immensity of their ignorance.

See the Son of God in the Sepulcher being exalted, renewed, and transfigured by the angels of Light and the legions of the Creator Parents who lived this Mystery together with Me during My Death, and even when I descended into the hells to banish the ambitious, the persecutors, and the unfaithful to the Law.

So many I withdrew from the abyss during My days of burial!

While My Father held Me in His arms and while the holy women prayed in adoration outside the Sepulcher, I did not cease to work for the world not even for a minute, awaiting My Resurrection in the silence.

*Let us repeat:*

---

*Archangel Metatron,*

*Patriarch and Spokesperson for the Divine Fire,  
may matter transcend in liberation.*

*Amen. (x3)*

---

***Friar Elías del Sagrado Corazón:***

*Jesus now says that we have to do it with a little more inner faith.*

*Archangel Metatron... (x6)*

And thus, companions, you may be able to free the evil spirits that corrode souls and the sleeping hearts that still do not accept God in the true testimony of the resurrection of His Son and of His second return to the world, at the most crucial time for humanity.

When you feel a lack of faith, implore and decree, through that prayer, to the Archangel Metatron, the Father that transforms through His Divine Fire and that uplifts souls through liberation.

In this way you will see, dear companions, how the Work of the Creator Parents is unique and Omniscient, how all those sublime Consciousnesses interceded during My Passion for the salvation of sinners and all mortals.

What was the great mystery that the Sepulcher revealed during the three days in a profound silence? It was the liberation that the Beloved Son of God, Jesus Christ, brought about, together with Metatron and Michael, in all the hells of the Earth for a cycle of two thousand years.

And although evil is still present in hearts and on the surface of the planet, you must believe, companions, that your captivity will end and that your freedom will be close, for the next world.

Do not expect to quickly see results, but rather, sacrifice your lives so that the New Earth may be born in the victory and the triumph of My Sacred Heart.

How many angels from Heaven visit your dwelling places today and the dwelling places of your siblings that are not here today, but that are present in My Most Sacred Heart!

Take your cross with courage and valor, and work every day for your redemption, just as I have lovingly taught you through peace, compassion, and mercy.

Do not be indifferent about your peers any longer.

Break and crack your structures so that the true spirit of the inner Christ may be born when I am no longer here among you, addressing My Words to the world.

Be consistent with the Universe, and live your cross, perfectly happy to be able to serve God till the end of your days.

At least, companions, do it for Me and do not fail Me.

This Work, that today I gather together in you and among you, was chosen by Me with much love after My Passion, My Resurrection, My Apparition throughout time, and the revelation of My Sacred icons of the Aspect of My Mercy and of My Glory until current times.

At this present time, the Work continues in union with your Most Holy Mother Mary.

If you, companions, do not support this Plan, who will fulfill it?

We come from Heaven with Metatron to bring you Grace and Pity.

You, roll up your vestments and work on the paths that I build so that the Work may be accomplished, just as it has been foreseen in the Heart of God.

If the Work is not accomplished in each part of the world that we lovingly visit, how will the other part of humanity be saved and wake up?

I could send millions of angels for awakening hearts without your help, but how, companions, will you be Christs in collaboration with the Plan of My Father?

Do not forget all that you are receiving.

You must bear witness and judgment on the last day of the Earth, and in this way, you will know that I have spoken the truth and that I will still separate the straw from the wheat.

Remain firm, in prayer and in vigil with Me, because in the end you will see your glory in Paradise.

*Incense...*

*Our Father in Aramaic.*

And now I have purified your errors so that, renewed by My Spirit, you may carry the cross of redemption and of peace, that will bring about the opportunity for many hearts of the Earth in the constitution that I am carrying out and in the effusion that I build through this Order, with My Sacred Spirit.

In the Presence of the Most Beloved Archangel Metatron, let us intone His sacred name, so that His legions may help and go to the most needy hearts, in this time of the Passion of the Lord in the heights of the spiritual Calvary of the whole planet.

***Friar Elías del Sagrado Corazón:***

*At the request of our Lord Jesus Christ, we stand up.*

*Whoever has a cross, of the pilgrims present here, the Lord requests that you place that cross on your breast so that He may bless it as well, in the Presence of Metatron, while we sing and invoke His name.*

*We are going to sing a melodic Kodoish and when the Lord says, Our Lord, we will begin to sing.*

*Kodoish...*

*Metatron...*

*Kodoish...*

May this memory never be erased in your lives, and you should know that you can count on a divine intercession that comes to aid humanity in this period, the same as the rest of the Creator Parents.

Let the confirmation of your cross be the absolute surrender to the Creator for this sacred task.

In the name of the Heavens, give peace to the world, I bless you, your siblings, families, those in need, and all the sacred objects that represent the presence of faith in hearts.

In the name of the Father, the Son, and the Holy Spirit.

*Divine Hierarchy of Angels and Archangels... (x3)*

This is the oil of simplicity for those who experience the monastic consecration to My Heart.

Today I will make the sign of the cross over everybody so that the Father, in His Mercy, in spite of what may happen in the end of times, will remember you and help you.

*Song: "Christ of the Calvary".*

*Thank you, Lord, for all that you give us!*

In the name of the father, the Son, and the Holy Spirit.

*Song: "Hear Me, Redeemer"*
