APPARITION OF THE GLORIFIED CHRIST JESUS DURING THE SACRED WEEK, DAY 1, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

It is a joy to meet those who persist. That is why today I have come to give sacred significance to the sacraments in the name of the Father, the Son, and the Holy Spirit. Amen.

It is a joy to meet those who worship My Heart and who, through this path, seek to strengthen their alliance with Me, so that My Peace may be disseminated in the world.

Today I am with the Archangels Saint Raphael and Saint Gabriel. They have come to open this Ceremony. They are the spokespersons for the Primordial Source; the ones who bring healing and redemption for humanity.

With this, companions, I need you to comprehend that today your consciousnesses took a step for humanity. And God comes to meet you in His Glory, with all His angels and saints to proclaim the triumph of My Sacred Heart.

Just as I stood at the gates of Jerusalem more than 2000 years ago, today I am at the door of your hearts to proclaim, Hallelujah! Glorious is the Father who is in the Heavens, blessed are those who come to meet the Lord, to awaken their faith, their love, and their trust in the Firstborn; in He who was born of the powerful Source of Love.

Today the choirs, in this part of the Earth, intone the descent of My priestly Consciousness, so that in the other part of the world, the darkness may succumb, just as it did 2000 years ago.

Believe that this is happening today. I cannot prevent anyone from dying, but I can grant the Glory of My Kingdom in this time of chaos.

Blessed be those who come to meet the Lord and open their hearts, so as to be freed from bondage and to awaken their commitments to He Who will come in Glory in His second return, and Who will be seen among the clouds lighting the Mirrors of Love, so that evil may disappear from the planet.

Praise be to those who are here today, in the name of the Lord, in unconditional service and in permanent love, so that the world, which is wounded, may be healed with their prayers and surrender.

Blessed are those who today will consecrate themselves as Adorers of My Eucharistic Body, because they will be the first and also the last that will open the doors, so that many more may enter the Sacred Temple of My Heart.

Today the impure spirits that roam the world are being paralyzed.

Blessed is the Kingdom of the Lord!

No one can resist Him, because His Mercy is very great.

Ignite now the flames of your hearts. Ignite your spirits before the presence of the Son of God. His Sacred Heart penetrates the deepest core of your beings, so that Communion with the Father, the Son, and the Holy Spirit may be established. Amen.

Place your hands in a sign of receptivity, so that My Graces may be poured out and your hearts become free from any agony.

Blessed are those who weep in the presence of the Lord, for they will be consoled and will receive a universal blessing from their Heavenly Father, His Most Sacred Flame of Love and all the power of His Grace.

Blessed are the humble who come to see the Lord, because they expect nothing for themselves; only to honor and adore the Second Person of God, through His most beloved Son.

Today, companions, I come to spiritually wash your feet; so that you may be purified, clean, and pure during this Holy Week. Believe that I am doing it at this moment, together with all the angels of Heaven, who also wash your feet to reveal to the world the most Holy Humility of God.

Blessed are those who come to meet the Lord. May the doors of evil be closed, so that the Celestial Universe may descend upon all the creatures that invoke it and cry out for it, in the perfect sincerity of their hearts.

Friar Elías del Sagrado Corazón:

At this moment, the Lord is indicating the blessed, the saints, and the evolved, and a great clear blue sky of light, which is over our beings.

Jesus is opening a book again and is reading it. The words written in that book are golden and He contemplates them in a profound silence. The pages that He turns become illuminated, just as His Heart is illuminated like a great sun. Around His Heart points of light appear, forming circles among themselves and surrounding His Sacred Heart. He told me that these points are glorified souls, who are present on Earth and have come at this end of time, from other Universes and from other schools, to fulfill their final commitment and to seal their alliance with the Firstborn.

The book disappeared. Now He is stretching out His Arms in the form of a cross. He says, "I am the Redeemer. All who come to My Heart will not be lost, because My Heart is a refuge for eternal life".

Now the Archangels Saint Gabriel and Saint Raphael are holding chalices in their hands. The Sacred Heart of Jesus is shedding Blood on them. That Blood is pouring into the chalices. They are large golden chalices, which come from the Celestial Universe. The Creator Fathers knelt to gather the Blood that pours out from the Heart of Jesus.

And the Lord continues to stretch out His Arms in the sign of a cross, like those who consecrate themselves to life, to all consecrated life, like all those who consecrate themselves to Him.

Above our Lord, there is the dove of the Holy Spirit, like a bird of fire that emanates twelve rays through its wings, over different points of the Earth.

Jesus is crying, with His Eyes closed. Beneath the chalices of the Archangels appears an image of the planet. And under the planet, four cherubim angels that sustain our world.

Prostrate:

*Most Holy Trinity,
Father, Son, and Holy Spirit,
I adore Thee profoundly. I offer Thee
the Most Precious Body, Blood, Soul, and Divinity of Jesus Christ
present in all the Tabernacles of the Earth,
in reparation for the outrages,
sacrileges, and indifferences by which He is offended.
And by the infinite merits of the Sacred Heart of Jesus
and the Immaculate Heart of Mary,
I beg the conversion of poor sinners.*

Amen.

(three times)

Carry My Blood to the world, so that no one else spill it and the beings of this Earth not be sacrificed, because of false power, or through human pride.

I come here to give you My joy, but also My trust. And in that trust My pain is to be found, which very few accept, because it is a very great pain, that I spiritually aspire to share with those who are Mine, until the last days of the Earth.

This is the Blood that I come to pour out upon the world. This is the alliance that I give to My followers. This is the greatest Sacrament of reconciliation with God.

Now that you are purified, you can enter the Portal of My Peace and of all My Glory, where I will reveal to you Who I am in essence, why I am returning to the world now and have chosen this house to start doing so, to open the doors to the return of your glorious King.

When you pray and sing from the heart, without any expectation, without seeking anything for yourselves, My Heart, which is human and divine, is alleviated by all those who fervently proclaim their faith in My Consciousness. This brings me the hope of visiting you and your brothers and sisters again, so that the world may hear Me and know that I am truly here, in this part of the planet, and with this part of humanity, so as to be able to enter the hearts of those who are Mine.

Friar Elías del Sagrado Corazón:

The Archangels Gabriel and Raphael rose up. They have just risen to Heaven, carrying the chalices in Their hands.

My Blood shed today in the chalices is the offering of your souls, so that My Divine and Unfathomable Mercy may descend even further; so that pity may descend where there is no peace and where suffering reigns, in these final times.

On this first day, I invite you to be part of My Planetary Work. You were chosen to carry My Message to the world. You are very different souls, but in essence you are the same, in the degrees of love. I make use of these degrees of love, so that definitely, after this Sacred Week, My Sacred and Unfathomable Heart, with all Its angels, may enter Asia.

Blessed are those who believe in the Word of the Lord, because in the next world they will have eternal wisdom.

Friar Elías del Sagrado Corazón:

The Archangel Saint Michael has just arrived, and He is above our Lord. In His right hand, he carries a spear; in His left hand, he carries a silver shield and He is similar to a human being.

Jesus says:

He came to announce His victory over the darkness of the Earth, because today in the world, 130,000 souls that were lost have been saved and will begin their path of redemption, to meet me one day, just as you met Me and I met you, in the innermost depths of your hearts.

Let us praise God for His Infinite Mercy.

Let us bless this altar, so that each space is worthy of receiving My Grace. So be it.

Lastly, I want to thank your hearts and above all your souls, for following Me, in spite of what may happen. For who in truth believes in me will not perish. I will triumph in your lives and beyond them.

Let us now unite with Adonai, invoking His Mercy for a wounded world.

Song: "Adonai, Holy Spirit".

Remember that here I always leave you, through the communion with My Body and with My Blood, the symbol of your salvation, your redemption, and above all, your peace.

Friar Elías del Sagrado Corazón:

He is placing His Hands upon the elements and is praying in Aramaic.

And now the time has come, companions, for those who will be part of this congregation of love, that tries every day to learn to live in My Grace and in My celestial Transparency.

I have chosen a song that all of you sing to Me very well, which I appreciate because My Father appreciates it, for the innocence that souls can find when they sing it. This will be the song of the Adorers, so that also through them, the Kingdom of God may be proclaimed.

I will listen with my inner ear to the pronunciation of these words, recorded in that song, so that on this day, the Adorers may receive My Blessing, so that many more may also receive it in the future.

Song: "You are the King."

Mother María Shimani de Montserrat:

We wanted to share with everyone that this special blessing that Christ did for these brothers and sisters is because from today, they are part of a new branch of the Grace Mercy Order, which are the Adorers, a task that all these souls have, to adore the Eucharistic Body of Christ, and we, as an Order, welcome them. Because we know that you are going to be a great support for all of us, not only for those consecrated of the Order, those who consecrate themselves monastically, but for the whole planet.

These brothers and sisters have carried out a task for months, where they confirmed themselves day after day, as adorers of the Eucharistic Body of Christ. They have been working intensely and have achieved some goals, among them, that of worshiping Christ internally, and having a permanent frequency in the task of adoration of the Blessed Sacrament. In these last six months, they confirmed themselves before our Lord, and gave their "yes" to formally take on a task within the Order as "Adorers of the Eucharistic Body of Christ."

So all those who feel in their heart that they may be able to carry out this task, and formally assume the task of adoration before God and before the world, can also request to do their apprenticeship and when they feel ready, confident that they will be able to sustain that commitment, we will be very happy to welcome them to our Order.
