DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

On the path of your daily consecration, seek the way out to eternal life and the detachment from all superfluous things; in this way, within you, with a loving impetus, you will build an inner fortitude that will help you as you go through the struggles and tests, whatever they may be.

If at this moment your dwelling place is wavering like a castle of sand, this is a sign that your inner fortitude and the conviction to serve Me are debilitated.

Work, then, to reverse any contrary situation and so that you are indeed free of yourself and of the unexpected influences of your personality.

Make your path of consecration a true gift for God rather than a calamity for your brothers and sisters.

Make all the impulses, signs, and messages received during these later times count within you, because in truth, you never lacked teaching, guidance, or orientation.

Be inspired, then, to make your little life transparent, limpid, and crystal-clear and may you, in spite of your miseries, be worthy and deserving of the Mercies of Heaven.

I only call you to be like Me someday.

I thank you for experiencing My Words in a heartfelt way!

Who blesses you,

Your Master, Christ Jesus
