**APPARITION OF THE GLORIFIED CHRIST JESUS IN FATIMA, PORTUGAL, TO THE VISIONARY  
FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE SACRED CALL OF AUGUST 20**

In the name of the Father, the Son and the Holy Spirit. Amen.

***Friar Elías del Sagrado Corazón de Jesús:***

*Let us pray:*

*Sacred Fire of the Heart of Jesus,  
transform my life and free me from all evil.*

*Amen.*

*(three times)*

Behold the Fire of My Sacred Heart, exposed to the whole world and especially to thirsty souls.

Behold the Heart that surrendered for you, behold the Heart that gave of itself for you and behold the Heart that is still open for all those who would enter It.

Do you know why My Sacred Heart is open today?

Because you have come to meet Me. Because you have responded to My summoning.

This is why I give you the Fire of My Eternal Heart, so that your lives may transfigure, just as the Lord transfigured on the top of Mount Tabor, and revealed His true Face to some of His apostles.

The Fire of My Heart, at that time, should not be known to all, but yes, it might be perceived by many, those who were united to the Lord in Sacramental Communion, Prayer and Adoration.

This is the Fire that I will bring to the world when I return: the Glorified Fire of My Heart. That Fire, through the mere Presence of the Lord, will transfigure the planes and the consciousnesses that are present.

You will not only see the Son of the Father come in the company of the Sacred Spirit, but you will also see with your own eyes the Fire of My Heart, which, as a Sacred Sun of the Universe, will remove consciousnesses from darkness, suffering, anguish and pain.

Therefore, venerate the Fire of My Heart, the One that illuminates more than one hundred suns do. The One that brings to your essences, in wisdom, the joy of being with Me permanently, the bliss of serving Me and sacrificing for me, not only in behalf of this planet, but also in behalf of all of humanity.

This is the Fire of My Heart that I present to you today.

The same Fire that My Holy Mother venerated, the same Fire of My Heart that the holy women came to know in My Resurrection.

The Fire of My Heart that the shepherds of Emmaus knew when they were by My side, sharing with Me the Body and the Blood of Christ.

It is the Fire of My Heart's Love, which allowed for the salvation of humanity and the planet.

It was the Fire of My Love that allowed Me to arrive on the top of Mount Calvary and, although I physically no longer had even one drop of blood left in My Body, having lost it on the path to Calvary, I would like to tell you that it was the Fire Love of My Heart that allowed Me to go on up until the end, to fulfill the mission that the Father had proposed to Me.

If you can feel and today know the Fire of Love of My Heart, do you believe that this Fire can live in and with you? Not only to illuminate your paths and lives, but also so that you may participate in the greatness of the Kingdom of the Heavens, although you may be living on the surface of this planet, although you are participating in the Armageddon?

Through the Fire of My Heart, I want to remind you not only of the experience of Love that I lived for you. I also want to remind you that the Fire of Love of My Heart is what allows Me to come to the world, time and again, to meet My apostles, My sheep, to have you close and so that you may have Me close to your hearts and essences.

Today, in the solemnity of this Fire that reveals itself to all, feel within your hearts that you are a part of the Fire of My Love, which re-consecrates and vivifies you, which transmutes and transcends you, which elevates and reconciles you with God, so that the world may reconcile with the Eternal Father.

It is for this Fire of Love of My Heart that you must work and labor.

It is for this Fire of Love of My Heart that you must live this experience of the Earth as an opportunity to grow in love, in the happiness of serving God and, above all, of being a part of My Work of Redemption, a part of the manifestation of My Divine and Unfathomable Mercy.

I want to tell you that it is the Fire of Love of My Heart that I will bring to South America today and, through South America, to the whole world.

The Fire of Love of My Heart is that which will illuminate Argentina.

The Fire of Love of My Heart is that which will try to grant intuition and wisdom to souls in Brazil, the moment they choose who will govern them.

The Fire of My Heart was also what revealed itself in the Sacred Cenacle on the days following My Resurrection.

It was the Fire of Love of My Heart that brought the Holy Spirit to the apostles and to My Holy Mother, because the Second Person of the Most Holy Trinity was present, that is, the Sacred and Unfathomable Son.

It is this very same mystery that I bring to all because you will need it in the end of times so that you may not forget that, while being a part of the Fire of Love of My Heart you are also part of the Triune Unity, of this unity that must reflect among brothers and sisters and among servers of the same spiritual path.

This is why this is the moment of your re-consecration to the Flame of Love of My Heart. That Flame burns untiringly for the souls that adore and recognize My Sacred Heart, and It burns for those souls that still do not know Me nor have cognizance of Me, the souls that I need you to bring closer to Me in these times. Thus, I may also consecrate and heal them, just as I have healed and consecrated you.

This should be your main spiritual task: bring souls to Me, so that they may feel and see the Flame of the Fire of My Heart, the flame that will dazzle the whole world during the three days of darkness. Thus, souls will be able to be partakers of the Light of My Eternal Heart, no matter what happens, no matter what presents or manifests itself.

Because the Flame of Fire of My Heart will not allow you to have doubts, mistrust or uncertainty, but rather your lives and consciousnesses will be able to affirm themselves in My Heart. Remember that My Heart is the Heart of the Eternal Father, which incarnated and was among you and with you to bring you the Good News.

Through the Flame of Love of My Heart, I prepare you for the coming times, so that you may live your true apostleship and help your Master and Lord awaken new apostles, who are ready now, waiting for the great moment, for the moment of awakening.

Be reconciling and mediators, be forerunners of the Flame of Love of My Heart.

Make the world know that My Heart is not only open to all, but it is also a Heart that can receive all, without exception and unconditionally.

Because by just adoring the Flame of Love of My Heart, I assure you that you will know the universe of My Love, and you will feel the inner impulse of doing anything for the fulfillment of the Plan.

May this Flame illuminate those present and those who are not present.

May this Flame grant to the world peace, wisdom and discernment, understanding to govern, just as God governs. Thus, peoples and nations will no longer be prisoners of the systems of the world, but

souls will rather attain freedom from this eternal planetary captivity. Thus, hearts will again find the Love of God and the eternal hope of the Sacred Heart of Jesus.

The one who venerates the Flame of Love of My Heart makes a commitment, and this is not passing nor transferable.

Contemplating the Flame of Love of My Heart signifies consistency, being in readiness and being alert to help the Spiritual Hierarchy in all It tries to build and manifest.

I do not give you anything different from what I gave the apostles. At this moment, I am giving, as a legacy, the same knowledge and wisdom that My apostles and followers received in the Cenacle. Because thus I not only prepare you for the times to come, when you must attain a state of consciousness that is neutral, not indifferent, a state of consciousness that is peaceful, but that does not omit itself. A state of consciousness of love and compassion, but not forgetful of the true need of the planet, of the nations and peoples that now suffer, war, conflict, famine, religious persecution, trafficking and migration.

For those souls, I come to the world to work, so that all of humanity, and this is My aspiration, may be a missionary and fraternal humanity. A humanity that cannot have a heart at peace until the last soul takes shelter in My Arms, until the last soul receives what it needs, until the last soul may be taken out of suffering and pain.

Because there are missionaries available to be My Arms and My Hands in the world, available to dissolve the cruel system of this humanity through anonymous service, inner prayer and through the fulfillment of Christ's Purpose on the planet. Thus, I also prepare you for the next mission in the Middle East.

For this reason today, behind Me, you can see Israel, My Holy Land, the land chosen by the Eternal Father Himself to develop the Sacred Genetic Project, through His Gifts and Graces granted to the people of Israel and its tribes.

Today, humanity is the great people of Israel, expressed on the four corners of the planet.

Today, humanity, lost and disoriented, influenced and persecuted by modern world gods, must turn to the people of Israel, toward the Original Project of the Father, that Project which He entrusted to the patriarchs and prophets: the Great Project of concretion of His Sacred Will in the end of these times. Because within each heart, within each one of you, lies a part of this Project of the people of Israel.

Therefore, return to your origins. As humanity, recover your roots and remember that you were once part of a sacred people, of a people that must recover its spiritual and moral dignity, of a people that must still concretize the Will of the Father, just as it is written in its Inner Heart.

The Mission to the Middle East, which you should already be internally living by now, will not only be a mission to help the suffering peoples of this region of the planet. It will be a mission carried out not just to undo the knots that tie many consciousnesses to perdition. It will be a mission to again unveil the sacred treasures of the Spiritual Hierarchy. Thus, through the Fire of Love of My Heart, these treasures may manifest and reveal themselves to the whole world, through the

Sacred Relics that the people of Israel once received by means of the Ark of the Holy Covenant and the Sacred Relics of the Cenacle, by means of the Holy Grail.

All these treasures must still emerge through the Heart of the Hierarchy, not only for the Middle East, but also for the world. Not only through the Inner Retreats, but also through the hearts that are thirsty to find their origin and to feel they are a part of God's Project.

Each step of the task of the Hierarchy is for completing a new step. It is for carrying out a new effort that goes beyond what is material or even what is spiritual, a task in which all are summoned to participate. In which all are summoned to feel they are a part of the aspiration of the Spiritual Hierarchy knowing that, if the treasures of the Hierarchy are not manifested and do not emerge, how shall humanity face the three days of darkness?

The solution to the world does not lie in what is material, but rather in what is inner. It lies in the Sacred Knowledge that the Hierarchy can bring to you, through the inexhaustible wellspring of Instruction. This wellspring ennobles your spirit and strengthens your faith which, sooner or later, leads you to live the Plan of God in the same way that We live it, feeling in the depths of the heart, the Divine Love that conceives and can do all things. The same Love that allowed God to sacrifice for the whole world and be the last Lamb taken to the slaughterhouse, so that the Tree of Life may rise again and the roots of the origins and the sacred story of the planet may be re-integrated into the consciousness of the world.

This is something that We will carry out in the Middle East. Something similar and deep. Accompany the Hierarchy in this goal, in the concretion of this aspiration.

This is why today I give you the Fire of Love of My Heart to give you understanding and wisdom, so that all of you may feel you are One in Us, and through Us you may feel you are One with the Father, with the Son and with the Holy Spirit.

While I am here, I contemplate the needs of the planet, the supplications of souls, the pleads of hearts, the intentions of the pure and humble hearts of all those who truly cry out for help.

The ardent wish of My Heart is that, through the Fire of My Love, you may achieve the same vision and perception that the Hierarchy has. The only bridge and only path to attain this is through service for others, it is the school of the degrees of love, which lead you to reach beyond your limitations or conditions. When you achieve the degrees of love, you will have a universal vision, just as the Hierarchy does, and not a vision limited or conditioned by the mind.

It is only through your heart that you will achieve the degrees of love, when your devotion for My Love is ever deeper and truer, capable of placing you where God needs you to be, although you may not believe that this is possible.

Now I will withdraw, so as to prepare, just like you, to help the Southern Hemisphere and the Americas, which are part of the Fire of Love of My Heart, just as all your people are as well.

My Love expands over Argentina and I assure you that, from now on, I am counting the days and the hours to again meet My children of Argentina, with all the warriors of Mercy and Peace.

Because through the Argentinians, through the hearts that truly love and serve Me, I will be able to

meet with all the Hierarchies of the Sacred Places that Argentina holds from North to South.

I assure you, My children of Argentina, that this will not be in vain and that I will fulfill My Word to them, in the end of these times, so that each one of them may again remember that not only does the Hierarchy love Argentina, as it is a part of the cradle of the New Humanity, but the Hierarchy will also always give you Its instructions and treasures, so that your souls may always be ennobled in the Love of the Redeemer.

May Argentina not give up, may Argentina rise towards Me, just as I extend My Arms towards Argentina, so that it can hold Me tight and thus I may withdraw this people from this eternal shipwreck, from lies, impunity and corruption.

May the hearts of Argentina and of the Americas rise again. Remember that you are a part of a Great Network of Time that silently shines from the North to the South of the planet until it may awaken and reveal itself. This is the great moment that is approaching all of humanity.

Through My priests, may we now celebrate the Spiritual Communion, for all that which the Hierarchy must do in Argentina and, through Argentina, in the Americas, for all cultures and peoples, for the poorest among the poor.

Let us celebrate through the Fire of Love of My Heart.

After this Spiritual Communion, We will bless one of My spouse's of soul and heart, who offers herself to serve at My Altars, whom I will wait for in Israel.

***Friar Elías del Sagrado Corazón de Jesús:***

*We thank You, Lord, for all that You give us.*

*In this Meeting, we honor You, Lord.*

Through the Fire of Love of My Heart, I bless you and, through you, I bless the whole world: in the name of the Father, the Son and the Holy Spirit. Amen.
