**SPECIAL MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE 100TH MARATHON OF DIVINE MERCY**

In the name of the Father, the Son and the Holy Spirit. Amen.

I will come through the dawn of the sun. I will come through the moonlight. These are the signs of the new time.

It is not a new religion. It is not a new movement. It is the advent of what has been awaited.

This great portal to the new time opens up in the heavenly dome. It opens up among all the doors of the cosmos.

It is the portal to the Great Conclave, which is gathered today before you, which is present today before your inner worlds. The Celestial Father has decided it so, and, in obedience and in law, we will fulfill it.

Today, My Voice echoes from Andromeda, and, through Andromeda, in all universes and consciousnesses.

Today, a culminating stage has been completed, not only for your civilization or for the soul of the planet, but also so that the portal to the Great Time may open. The change will take place.

Souls must be awake and love the unknown even more; that which has no form, that which is not intellectual. The unknown is that which is not material.

This is why today We come and make Ourselves present before you, through a great unknown portal. It is the portal to the fourth dimension.

This will be the way, this will be the path and will also be the bridge for all to cross. But it is not through a technique nor through a mental or spiritual procedure.

You will cross this portal through your inner world because it is there, in the inner world of each one of you, where the essence of the Divine Purpose lies; a purpose that humanity has outraged, violated and transgressed, up to the current times.

Do you now understand the consequences of what you experience?

However, Love is what will always prevail. It is this Love that gathers us today, the Love that congregates us today, the Love of the Greater Hierarchies, which call you all to cross the great portal so that all consciousnesses and also the planet may be transmuted, purified and liberated.

Because it is in the most chaotic moments, like the current times, that the great opportunities of liberation and redemption take place.

Do not forget that hope is latent in the Heart of the Universe, and it is this hope, permeated by Divine Unity, that I bring to you today, for you to accept it and experience it.

This is why it is important for you to practice fraternal consciousness, and not a mean one, for you to practice an inclusive consciousness, and not one of discarding, a peaceful consciousness, and not one of conflict, a consciousness of love, and not one of lie.

These attributes will purge the Earth of planetary corruption, which generates the great debt of this world and of all humanity, which submerges the most innocent and the poorest into the abysses, without having an opportunity of raising their gaze to Heaven to once again believe and have faith.

This is why I am preparing My Return to the world as I have promised, and I want you to know, companions, that today these are not only Words, they are facts.

Two thousand years have passed since My events with you and among you, this is why I gather all the Evolutionary Consciousnesses of the universe into a Conclave so that they may help Me and prepare My Return. Thus, you will see the Son of God come among the clouds, the clouds are the portals of the universe that will open, and that will be physical. Thus, the Spirit of God will return, will heal the Earth and its wounds, will populate the Earth with New Christs, those who have known how to say 'yes' to Me.

This is why the portal to the Great Time opens up today before your eyes and inner worlds. It opens up today before these oceans, in representation of all humanity and of the whole planet, as well as of the Kingdoms of Nature, which will also see the Son of God come. And that which was thought of in the Origin of humanity's Project will be reconstituted and re-established.

Throughout time and space, the evil that was generated throughout entire generations will be dissolved, and those who persist until the end, to wait for Me to return, will see this change, in a concrete way.

Thus, all, absolutely all, will return to their origins, to the origin for which they were thought of and created, to the origin with the goal for which they emerged, to the origin with the goal for which they have existed and were emanated by the Supreme Source.

Today, I speak to you not only through My Spiritual Government, but also through the Love of God, a Love that was capable of dying for you on the Cross, even knowing that it would be denied.

Today, may those who suffer be healed, those who lack hope be renewed, and those who have decided to give up may they reach out their arms toward God, because the moment will come to express gratitude for My Return, which is near.

This is My great Message for the celebration of the one hundred Marathons of Divine Mercy, an important and spiritual moment for all, when the Son of God, the Solar Essence of the Cosmic Christ, makes you see and recognize how far you have walked with Me.

Do not see only the miseries of your tests, the banishments of your human aspects. Do not see only the suffering of the planet or the transgression made to the Kingdoms of Nature. For this Marathon number one hundred, I ask you to see the efforts accomplished, the persistence built, the unity strengthened, the faith expanded and the Mercy achieved, in spite of the darkness of this world.

Because it will be through this Universal Conclave that you will find the solution and the way out, this Conclave of evolutionary consciousnesses that know you deeply, that grasp you deeply, that have accompanied your cosmic trajectories since your origin.

This is where you will find the strength and the certainty that you will need to keep moving forward and thus fulfill the Plan. A Plan that is still to be fulfilled, first, within each one of you, so that then this cosmic Plan may be fulfilled throughout the whole world, although everything may seem to be in ruins and in darkness.

It is this Light of the Higher Councils that blesses and contemplates you today, not only as beings in redemption, but also as consciousnesses in transformation and bravery.

Within all those who are Mine, I will make the new apostles. Therefore, persist and follow My footsteps of Light, firmly follow My steps toward the Divine Purpose, because today the scepter of God is in My Hand to lead you and guide you toward the goal, the great goal of your Christification.

I want to thank, from the depths of My Heart, the consequent and prayerful ones, those who, in the last one hundred meetings of prayer, have sustained the banner of My Peace and will keep doing so, for a much longer time, until I meet you, face to face, in My Return.

And the last thing I tell you, companions, for you to hold within your hearts, is the following:

What would you do if, at this moment, I were physically facing you?

What is the first thing you would say to Me?

What would you do with Me if I told you: "son, daughter, here I am, because I have returned"?

Contemplate this scene in your inner world and attract this reality, at each new day.

When you feel that you cannot, or even that you will not manage to, that you will not have the strength to keep moving forward, think and contemplate for a moment if I were before you, what would you say to Me?

I leave you My Peace, I leave you My gratitude, I give you My Consoling and Redeeming Love.

In the name of the Father, the Son and the Holy Spirit. Amen.
