**APPARITION OF THE GLORIFIED CHRIST JESUS IN THE CITY OF BUENOS AIRES, ARGENTINA,
TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, DURING THE 106TH
MARATHON OF DIVINE MERCY**

In the name of the Father, the Son and the Holy Spirit. Amen.

There is nothing that can prevent Me from reaching you when I need to. You must keep this in mind in these times of transition. Because the heart that unites to Me through prayer not only transcends itself, but it also transcends all situations around it. For this reason, I am here, on this third and final day.

I am happy for those who have waited for My arrival, and My Father has confessed to Me that a great part of the task has been achieved on this third day of meetings with Me. And this is possible because you are here.

As much as I have the power to renew all things, if those who are Mine were not here with Me at this moment, how could the wonder of being in God and the joy of feeling His Bliss and His Presence occur and how could the hearts that are here leave this place strengthened, carrying the power of Love wherever they go and to whomever they meet along their paths?

Just as I give you My Love, I hope you learn to give Love to your brothers and sisters, despite the errors and misunderstandings, despite the faults or even sin.

If I took each step upon Calvary for you, will you, as My apostles, dare to take the steps on this planetary Calvary?

This is why I again tell you about mature love, a love that does not oscillate nor become cold, a love that is capable of understanding, beyond oneself, the Purpose of God, and is capable of walking in trust towards the unknown, regardless of not being understood, for all that comes from God will never do it harm.

Only when you follow just one God will you be protected, will you be guided, will your hearts receive the intuition they need so that in this crucial times they may know how to make the right decisions and not impulsive ones. Because at this moment, a lot of discernment is necessary.

Everything is so fragile in this world that anything could break within the consciousness and outside of the consciousness. This is why you should trust in the Gift of the Science of the Holy Spirit and, every day, through prayer, invoke Its Wisdom. Because you will be able to see how this world is at this moment and how some situations seem irreversible.

But for God there is nothing irreversible or impossible, you only need to open the right door through the heart and thus Grace will always come into your lives and you will not be helpless or unprotected.

In truth, I tell you, just as I told My apostles, just as I once told the people of Israel: your feet must not be on two paths. You already know what I represent to the world.

But humanity still does not know My secrets, where I truly come from and to where I ascended after My Resurrection.

I have given you little impulses about My Consciousness, about the existence of My true Origin, so that your consciousnesses may awaken from the dream in which they live. To achieve the level of this revelation, your hearts must pray a lot, and you already know this.

At this moment, there is no other path, because prayer is not tiring but rather renewing. When you learn to be aware of what it means to give the word to God, I assure you that you will not only learn at the school of prayer, but you will also learn to work, just as the Hierarchy works for this planet and your humanity.

It is important that you may keep all this in mind and that it may be kept in the memory of everyone, every day. Because prayer will place you at a point far from adversity, far from the chaos and dissociation of these times, far from the ignorance and madness that this planet is living.

After these three days of meetings with Me, I was able to see with My own Eyes that your prayers were truly sincere. And this will allow for Argentina that the Sacred Ark of God may be here for longer, present in the consciousness of this country and in the hearts that want to venerate and adore it, because in this way all will slowly be transformed, at an unknown but yet understood speed.

To be before the Teraphim of God is not just a Grace, it is an opportunity that must not be missed. Because this opportunity is for souls, and how many souls in the world would wish to be before the Ark of the Holy Covenant, not only to remember the essential purpose of having come here to Earth, but also to know how to walk, decided toward the purpose!

On this third day, your Master and Lord carries out a synthesis, because during these three last days, many situations took place in the universal inner planes.

Therefore, I am here to tell you that what happened here was not just a meeting, a moment of elevation and awareness, a moment of love and offering. Rather, throughout the last three days, the Hierarchy was able to work much more than what had been foreseen or thought of. Thus, the Hierarchy expects to reach even beyond what is foreseen, when it is at the Marian Center of the Holy Spirit, so that everyone who decides to may meet with the Brotherhood.

This movement that the Hierarchy makes is unique and unrepeatable. Each movement that the Hierarchy makes is no like the others. Each impulse that the Hierarchy gives is definitive and transcendental because it invites Its disciples to place themselves on the lines of the Plan, where in truth they should have always been.

Now, I leave here filled with the love of My companions.

So that the purpose of this nation and of the Americas may keep being fulfilled, so that the Ark of the Holy Covenant may keep emanating its codes of Love and Light within souls and all nations, I will offer to you what is deepest and most blessed that I have, which is the Eucharist. Because in

this way you will always find the power of renewal and peace.

I thank you for having responded to My summoning, and do not forget to follow the steps of the Lord.

Friar Elías del Sagrado Corazón de Jesús:

The Lord is smiling at all of us.

In the name of the Father, the Son and the Holy Spirit. Amen.
