**SPECIAL APPARITION OF THE GLORIFIED CHRIST JESUS AT ASSOCIATION MARY, MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

In the name of the Father, the Son and the Holy Spirit. Amen.

Today, I come here, to this cenacle that is favored by Me, to the great oratory of the Mother of God.

Today, I come, in a special way, because I want to be close to you and with each one of your souls, preparing you to enter the desert that My Hand is indicating to you today, to this spiritual desert of humanity, which many do not want to cross because they forget that I am in the desert, when you just seek Me and call Me.

In this preamble to the next Sacred Week, I will come unexpectedly, throughout this week, without giving notice, so that your hearts may be ready, just as were the apostles, together with My Mother, in the Cenacle, after the Resurrection of your Lord.

I want to be able to meet you, I want to be able to feel and contemplate you, just as it was with the apostles, when they were together with My Heavenly Mother, in the Re-appearance of Christ, days before My Ascension to the Heavens.

I also come to relieve your hearts and spirits, to remove the weight of the cross that has been placed upon your backs, but I encourage you and I invite you to keep carrying this cross, not only for you, but rather for the great need of Love in this humanity and on this planet.

I come with this Message for all to internally prepare for the next Sacred Week, and, My Heart, with joy and predilection, has chosen this place blessed by My Heavenly Mother, to announce, once again, the Word of God, so that hearts, upon entering this desert that I invite you to cross this week, may again find God and, before Him, be in silence, in attunement and in love, for all that is necessary and urgent to repair in this humanity and on the planet, because the war keeps happening, souls keep suffering; insecurity, impunity and fear continue being established in peoples and nations.

I prepare you in this desert, just as your Master and Lord prepared Himself for forty days to accept the Chalice that the Father offered to Him, which today I offer to you, in My Name, so that you may drink from it without any fear, because My Precious Blood comes to purify you, it comes to bless you and re-consecrate you for the next stages of the Plan of the Redeemer.

May the agony of not being able to reach Me or feel me no longer weigh on you. I am here, as the Sacred Heart of Jesus, to remind you that you have a part to play at this moment with Me, because My aspiration is that you may be My apostles of the end of times.

May this desert, which I invite you to cross today with courage and bravery, strengthen you. May this desert, which I invite you to cross, with love and faith, make you grow internally for all that

will come because, before the Celestial Father, I need souls that justify the errors of the world and the grave sins that outrage the Heart of God in these times.

Adore Me in the Divine Sacrament of the Altar during these days. May your vigil of Adoration expand and be strengthened so that the Kingdom of the Heavens may descend to Earth, not only during the next Sacred Week, but also in this preparatory week which, with bliss and joy, I come to share with you in a special way, and, Our Lord, the Celestial Father, has decided that this blessed house, consecrated to the Heart of My Mother, should be the place, the cenacle and the oratory for these meetings to take place, these unexpected meetings.

Remember your Guardian Angels, they are thirsty for your offerings to the Heart of God, for your offerings for humanity and for the planet so that Love, Peace and Light may not disappear from the surface of the Earth.

I understand you and I also comprehend you, these are unknown and difficult times, and sometimes you feel you cannot endure them. But have faith, I died for you, so that you could have life in Me.

I bless you and I thank you for welcoming Me in this place, for the simplicity of each detail, for the sincere offering of the hearts that trust in Me.

In the name of the Father, the Son and the Holy Spirit. Amen.
