**SPECIAL MESSAGE OF THE GLORIFIED CHRIST JESUS TRANSMITTED IN PRZEMYSL, POLAND (BORDER WITH UKRAINE), TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS FOR THE 118TH MARATHON OF DIVINE MERCY**

In the name of the Father, the Son and the Holy Spirit. Amen.

Like the last rays of the sunset, I will come in the end of these times.

Like the wind that caresses your faces today, I will come at the end of the times.

Like the day that withdraws so that a new day may begin tomorrow, I will come in the end of these times.

And I assure you that many will find it difficult to recognize Me, because I will come with the same Face that I once revealed to My apostles on Mount Tabor, and all that which your Master held as a secret in His Heart will be revealed.

This is why I tell you today, "Be attentive and watchful, because My hour is drawing near," and My Priestly Presence must not go unnoticed by any of you. Because just as I come today in Divinity to meet you, so I will come in Glory to meet My companions again.

But before the skies open and the clouds move apart, My reappearance will take place in the world and this will be gradual on the whole planet. Because there will be no place where I cannot be. On the contrary, the Son of God will be able to be everywhere at the same time, and thus once again the Law of Omnipresence will be fulfilled in humanity and on Earth, just as it was for the ancient people of Israel, who closely listened to the Word of God, just as it was for the prophets who listened to the Call of God.

My Return will cease to be a mystery to become a revelation.

And today I come here, in the vicinity of Ukraine, to give this Message, because after seeing so much innocent blood being shed in this country, the Lord of Israel presents Himself to this nation and to the whole world, to announce that in these great times of tribulation the hour of the Return of the Son of God draws near and thus the promise which was once made on top of the Mount of the Beatitudes will be fulfilled.

Because in that hour all the seals of the Book of the Apocalypse will already be opened, and the seventh angel of the Choirs of God will have already sounded the last trumpet, so that the last seal of the Book of the Apocalypse may be opened.

The great door of My Divine and Unfathomable Mercy will be converted into the great door of My Glory and Grace to the whole world. Because I will reappear to small groups of souls throughout the world, just as it was on the path of Emmaus, where I consecrated and broke the bread again to share My Glorious Body with Mine. In the same way I will do it again as in the previous time. In this way, you will be able to recognize Me face to face and will know that I Am Jesus, the Glorified Christ, the Sacred and Unfathomable Heart of Jesus.

I come to give this Message of hope especially to Ukraine, so that its people, whose faith and trust in God has been taken away, may recover this hope and faith in the Father, may recover the trust of being worthy Children of God, in Heaven as in Earth.

I will not oppose weapons, I will oppose My enemies to convert and redeem them. Just as your Master and Lord, during the three days in the Sepulcher, while His Divine Body was restored and repaired, the Divine Soul of Jesus, in the deepest hells of the planet, redeemed those who were condemned and lost, those who could no longer see the Light with their own eyes; in the same way will I do it, perhaps in a way unknown to most, but this will be fulfilled. This is My Word.

It will be the great moment of redemption of the world, when, for the price of the Most Precious Blood, shed by Jesus, responding to the Commandments of Christ, the angels of God will again descend to Earth, just as they did on top of Mount Calvary to collect the Blood of Christ, with the Divine and Holy Mother,.

Thus, they will return to the world to pour out the Precious Blood of Jesus upon all the Tabernacles that have been profaned and outraged in the world.

And thus, the Light will be re-established in humanity, and everything will begin to be converted, not by the work of a miracle, but rather by the work of the Holy Spirit, who will congregare the 144,000 from the four corners of the planet, the so-called Children of God, who have sacrificed for Me throughout the times and generations, to bear witness of My Word and My Priesthood, for all those who were with Me at the foot of the Most Blessed Sacrament of the Altar, to adore Me and recognize Me as the Way, the Truth and the Life.

Thus, I will gather all, just as at the beginning, just as in Eden, God gathered Adam, Eve and all the little creatures of the Kingdoms of Nature to tell them that they should love God above all things, to be under His Law, His Love and His Light. In this way, within His Laws, all were happy as the angels are happy in the Kingdom of the Heavens.

Therefore, prepare yourselves and do not fall asleep. I do not want to see My apostles sleeping while the Lord arrives as a Vigilant, as the Guardian of the Portals of the Light, to tell you that the hour has come in the deep winter night of this world, when indifference replaces love, when evil tries to replace peace.

The Lord of the Universe will descend from Heaven, just as the angels descend from Heaven to help nations and, especially today, to help the Angel of Ukraine, so that He may be helped by the merciful prayers of all of you, so that martyrdom, slavery and war may be dispelled from this world, so that no more weapons may be activated to harm your fellow being. This is the great cause of My Presence in the vicinity of Ukraine.

Just as the angels of Heaven are present with Me in this afternoon, which is withdrawing, in the same way I want and wish that your hearts, rather than your emotions, may also be present. Because I want imperfect yet true hearts, those who take the risk of seeking purity even while being in this world, those who are not afraid of overcoming themselves, those who do not step back, do not doubt, are not lukewarm.

I seek defined, yet imperfect hearts. I seek those who decide to follow Me until the end. Because My hour is already marked, companions, and the world and humanity must not continue the way it is.

Who will continue to carry the wood of the planetary cross with Me?

Who will cease to be negligent, to be responsible in Christ and for Christ?

Each time I come to the world, as on this day, I must remind you of these principles so that you will not forget them. Because under no circumstance or situation must the vow of your love for Me be dissolved.

If you do not reflect on all these things, why are you here?

The Light of My Mercy continues to descend upon the world, although this is not perceived. But at some moment, this Light will withdraw so that humanity may live its own definition for itself, just as your Master, Christ Jesus, lived in the Garden of Gethsemane.

May this not be interpreted as abandonment. God makes, of imperfect hearts, mature hearts, consistent and available hearts, so that one day they may be unconditional hearts, who have clarity, at the center of their being, about the Purpose that they have come here to fulfill.

While wars unfold in the world, while innocent blood continues to be shed under impunity and false power, while millions of children die of hunger and disease in Africa, who will be able to be in Me forever, so that I may be in them forever and may work and labor without anything in return, just as I did many times in many saints, while I needed it?

Do you understand, in the deepest way, the Christic life, the mirror that Christ needs on Earth, through the human heart, to reflect His aspirations and wills?

I do not come here to waste time, I come here as a Messenger of God because of an emergency. Because My hour is closing, My Apparitions will be withdrawing, because it is the hour of each one of you, companions.

I will accompany you in spirit if you allow Me to, just as I accompanied My apostles in the great time of Evangelization.

*Oh, wounded Ukraine, although you are under siege, do not lose the light of your faith, the sacred pillar of trust. Because the time will come for the liberation from your slavery, just as the people of Israel were liberated. The desert will end, darkness will disappear, and the time of spiritual and physical reconstruction will come.*

*Beloved souls of Ukraine, rise up to Me. Enter the deepest entrails of My Mercy, and I will relieve you and strengthen you in this difficult hour. My Rays of Light and Mercy are upon you.*

*Rise, Ukraine, and do not step back!*

*I Am here to heal you. I Am here, Ukraine, as your Peace.*

Never forget those who suffer in war, because if someday you live it, you will want someone to remember you. When fear embraces you, and dissociation disturbs you, you will cry out for someone to pray for you.

Do you now understand the reason for My Return to the world?

May the next Marathon of the Divine and Unfathomable Mercy be a Marathon of prayer, may it make you feel in your heart the need to pray for this world and especially for those who suffer from wars and conflicts.

Once again, I will be attentive to the voice of your supplications, because I need that. My Ears will be attentive. My Heart will be attentive. The Tabernacle of My Heart will be exposed for all those who pray this Marathon of prayer with Me.

I want to quench the thirst of the afflicted.

I want to calm the tears of unprotected children.

I want to have the unborn in My Arms.

I want to raise the elderly from the ground.

I want to strengthen the life of the mothers of war and, especially, the mothers who experience war in their families.

I want to establish unity in all beings.

I Am the wellspring that quenches the thirst.

Let those who are without hope come to Me.

Let those who feel alone come to Me.

Let those who have sinned come to Me, because My Love is capable of transforming everything. I will not judge them with a rod, I will teach them about the righteousness of the Law, I will open the door of My Unfathomable Mercy to Ukraine and to the subjected nations of Africa.

I will be thankful to you if you respond to My Call, in this special and unusual Marathon of Divine Mercy.

Remember that My time is ending, and the demand of this world is still very great.

Who will be the apostles who will join the lines to accompany the Lord with nothing in return, with nothing in exchange?

I impart My blessing upon Ukraine and the world.

In the name of the Father, the Son and the Holy Spirit. Amen.
