SPECIAL MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE 91ST MARATHON OF DIVINE MERCY

In the name of the Father, the Son and the Holy Spirit. Amen.

If you are desperate or distressed, come to Me and follow Me.

If you cannot find clarity about what you should decide, and if you are confused, come to Me and follow Me.

Now, it does not matter how you feel or how you are, come to Me and follow Me.

I know the very depths of your being and I know the Will of my Father for you. For this reason, come to Me and follow Me.

Your cross is not the same as the cross of your brothers and sisters. For this reason, come to Me and follow Me.

I have My Crown of thorns to offer you; come to Me and follow Me.

I come to give you My whole Being, what are you waiting for? Come to Me and follow Me.

If your feet have stumbled over many stones in these recent times, do not worry, get up, come to Me and follow Me.

Because what is written for your life is not the same as what is written for your fellow being. If you truly want to know and have knowledge of it, come to Me and follow Me.

If you decide to come to Me, you will be able to enter My Heart and have a new life. You will know how to cross your deserts, how to go through your tests and your uncertainties; but keep in mind that My Love is above all things. For this reason, come to Me and follow Me, because I need decided soldiers, tempered by humility and bathed by My Grace so that they may serve the Plan of My Father and accomplish It.

My celestial promises will be accomplished in the next life. For this reason, come to Me and follow Me.

I contemplate a wounded and hurt world submerged in suffering and in chaos. Come to Me and follow Me so that the new Christs may awaken. While this does not happen, I will continue to come to the world because My Heart can be in you and you can be in My Heart. Come to Me and follow Me, for there is still much to do and to work on.

The deepest wounds of the planet must be healed and your life must be the balm for these wounds. Come to Me and be transformed into what I so wait for. In the silence of My Heart, I will cause you

to be ready to live these times and these challenges.

I offer Myself in eternal communion for those who suffer and endure and for those who every day lose their inner light and allow the flame of their faith to go out.

I Am that Higher Power that allows you to carry the cross of these times and to not say 'no' to My Will, because what is written is very important.

I bring you the new life. Thus, come to Me and follow Me. While this does not happen, I will wait so as to be able to take the next steps in the redemption of this humanity and this planet.

Open your inner senses and let My Light bring you Truth; for purification is eternal; it is an impulse towards ascension and transcendence until the very core of your spirits someday achieves union with the Father, just as the Son achieved union with the Father up to the Cross.

Was it really necessary that God Himself experienced all that agony, that whole Passion and Death, through His Son in this humanity? It is a mystery not yet unveiled, but you have the Grace of already not being so far from the unveiling of this mystery.

The master key of all this is to surrender to the Love of God for His creatures, for their salvation. This is what must move your inner universe so that you come to Me and follow Me; for in these times, I need to establish the pillars of the New Humanity and the New Earth, through the conversion of your hearts and consciousnesses.

My pillars are not energies, My pillars are you.

In the same way that clay has to be transformed into something beautiful, so must your lives, as a precious crystal, be polished, time and again. When your lives are polished, they are transformed, and they will feel the positive friction of My Christic energy.

But do not be afraid if your cells fear the transformation or the uncertainty of not being able to take steps. In truth, I tell you: "Who comes to Me and follows Me will be in My Heart, and I will be in them until the end of times; because the Spirit of Wisdom, the Holy Spirit, will guide you, just as I guide My apostles and many more throughout the ages."

Your inner strength must be in the conviction of accomplishing My Plan, My Plan of rescue and salvation.

You already know how the state of the world is and how the main cell of the family has been destroyed, not only by the pandemic but also by the lack of love.

Today, My Heart sustains and contemplates those who have died alone through this current illness.

The pleas of the good and of those who are consistent with My merciful prayer, no matter what the cost, have permitted this Grace of salvation and of relief.

Thus, I tell you that your vision cannot only be upon that which is material; your vision must be beyond that which is spiritual, beyond that which is truly profound and eternal; where love triumphs above all evil and adversity.

There are many souls throughout the world that, in this time, cry out for help. There are many sinning souls, souls that are ignorant and even cold because their hearts have hardened.

For this reason, My pillars, the pillars of Christ, the apostles of the end of times must be clear about this moment and this conjuncture, which is not the same as other times.

I need you to understand that to be My companion is not only to be at My side or to only follow Me. To be My companion is to everyday risk being more a part of Me, of My Mystical Body, of My spiritual and divine Government.

Just like more than two thousand years ago, humanity is at a similar conjuncture, but more delicate, more serious. This is the most important hour, when the prayer of the heart will work mysteriously in the inner worlds. Thus, your beings, your families and your homes must be rooms and spaces of prayer in the current planetary field of battle.

In this way, you will ignite the light in this sea of worldwide darkness and the sincere prayer will be a small spark of the light of the Love of God that, in trust and faith, will be placed where it is most needed, where nobody can see it.

I need your lives to be the very testimony of a prayer carried out and concretized so that you may aspire to someday be the living sacrament itself, redeemed and converted by My Codes of Light and Mercy. In this way, the world will no longer suffer, because with very few there will be a struggle in these hells of the world, of persecution, of war and of hunger.

The hour of My Return is already registered. It is an hour that is approaching as time goes by. When I return, and you, where will you be? You, how will you be?

The signs of My arrival are within because it is there where I am present, just like with those who experience the Eucharist or Adoration with faith; In this way, they will be ready to receive Me, in spite of how they will be or where they will be.

Today, I want to anoint the world with the luminous Sign of the Cross so that, in light of this current planetary Calvary, you may see the Cross of Redemption of your Lord Jesus Christ illuminated, the Cross of Emmanuel, that comes to free you from the chains of evil forever.

May your hearts not become cold. May your charity not dissipate. May your faith of being in Me be strengthened so that, someday, the saints of the end times, the saints of the last days, may be present in this humanity, and on the eve of My arrival, may this anointing take shape on the forehead of each of My children, of My companions, of My prayerful ones, of My servers.

Let all that which should no longer be within you, no longer be, and may I have the space to be able to live within the greater depths of everyone.

Do not be afraid of losing the power that you believe you have, or the control that you believe you

exercise. I come to make of your lives something new so that the human race can be saved and thus, the thousand years of peace may be accomplished.

May this Marathon hold the keynote and the absolute trust that you can follow Me and be in Me, so that all errors and sins may be justified, and fervent souls may amend the assaults experienced by My Sacred Heart; for this time I have brought some of My apostles. They could be nowhere else but here, to wait for Me, again, as they waited for Me in the Cenacle during the days of My Resurrection.

The reappearance of Christ is being fulfilled.

Happy are those who believe without having seen. Happy are those who believe and are humble. Happy are those who are a part of My Word and drink of My Water of Life because I give, to each one of you, a part of the wood of My spiritual Cross so that we may share this moment and offer ourselves as victims of the Love of God.

I again anoint you, forgive you, and heal you under the powerful union of the Most Holy Trinity and all that which is beyond God, that which the world still does not know and which is a part of the Revelation of the end of times.

In the name of the Father, the Son and the Holy Spirit. Amen.
