**DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS**

Today I come to your encounter by means of the presence of the Sacred Heart of Jesus so that you may always remember that My Heart has a precious space for the souls that spread My Existence in the entire world.

The Heart is the Temple of God for your consciousnesses because through the heart your evils will be remediated and all pain will be dissipated. Try to live from the heart so that you may know when it is your heart that talks to you and when it is the enemy that dictates wrong ideas to your inner mind.

Through the heart your feelings will be clarified and through My Heart you will know what step to take towards which path. Live in the heart because in this way you will be able to recognize the divine purity that God guards in each creature. May the souls be united by the intermediary of the heart so that they may help Me to fulfill the purpose of God.

Enter into the infinite ocean of My Sacred Heart because in this way you will receive the eternal light of My Rays and your darkness will be dissipated from any space. If you still do not know what to do with your lives or how to proceed, I ask you to enter into the consciousness of your hearts so that My Ocean may be able to be united to your river of love that runs through life without direction. I want that your hearts and Mine be only one, thus you will know what to do at the right moment.

My Heart is infinite, it is pious and merciful. My Heart is the refuge for your doubts and it is the light for your darkness. Be all the time in My Eternal Heart and in this way you will always be communing with Me, with My Eternal Love.

Under the Light of the Father, be blessed.

Thank you for living in My Sacred Refuge of the Heart!

Christ Jesus, the Sacred Heart.

**Consecration to the Sacred  
Heart of Jesus**

Eternal Temple,  
that guards in love my dwelling.

*Eternal Fire,  
that illuminates my paths.*

*Eternal King,  
Sacred and Unfathomable Heart  
of Jesus, live in me, be in me,  
act and work through  
my heart  
so that we may be now and always  
one in the Eternal Paradise of God.*

*Amen.*
