DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

In a Heart as large as that of your Heavenly Mother, there are sublime feelings of love and unity held, which today I invite you to imitate and to live, because times and experiences are still coming that will need your expanded hearts in order to bear with and accept others.

With this I want to tell you, dear children, that love is the foundation of all life and without that love, life has no meaning; it is an empty or hollow life.

That is why I come to place My Great Maternal Heart in some of you so that you may regain the sense of learning to love and to forgive, so that your lives reflect the Light of God over the world.

It is at this crucial moment of the planet that love will be the foundation for everything, for any experience.

Therefore, do not wait to expand your hearts; do it now so that the new times find you prepared to learn again and to evolve.

Thus, I invite you to imitate My Beloved Son Who, experiencing the injustice of the world, negation, and death, did not stop loving each of you for even a second; it was that love that led Him to converting into Christ, your Savior.

Live in love and you will be able to reveal all mysteries, because true love lacks expediency or any other personal realization.

Love is infinite life.

I thank you for responding to My call!

Who loves you in Soul and in Divinity,

Your Mother Mary, Rose of Peace
