DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I still have the door to My Heart open so that you may enter, but when Divine Justice comes, it will close.

Thus, look, I have the door to My Heart open so that you may enter and merge with My Spirit. But to go through this sacred doorway, you must leave behind everything that you believe you are, everything that pleases you and brings you recognition.

Look, I have the door to My Heart open so that you may enter. Do not waste material time thinking about whether you will be with Me or will move away from Me. You know that time is going by quickly.

Thus, look, I have the door to My Heart open so that you may enter; only the Father will say when it will close. Hurry up and do not question yourself anymore because when the door to My Heart closes, I will no longer be among you.

Thus, look, I have had the door to My Heart open for more than two thousand years and I offer it to everyone, but it is still only very few that dare go through it in order to forget themselves.

Hurry and go through the doorway of My Heart before everything is unleashed.

The door to My Heart will close unexpectedly and everything will happen. Those who have not entered will be unprotected and they will beat their chest, crying out in affliction for not having listened to Me.

Thus, look, I have the door to My Heart open so that you may enter. Do not become distracted by the things of the world; everything that the world has to offer ends in a deep and miserable emptiness, for it does not contain love.

How many souls have already retrogressed because of wanting to remain within themselves and have gone through the doorways of their condemnations, and still believe that they did something marvelous?

Do not delay and look, I have the door to My Heart open so that you may take refuge in Me. Because the savage wolves will go hunting and those that have not entered into Me will be attacked and will be out in the weather, just like a poor flower is adrift in the storm.

Look, I still have the door to My Heart open. Do not doubt, do not think about it anymore, do not do the same as the ungrateful ones who used to be with Me.

Enter into My Heart and all will pass.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
