**DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Child:

In order to learn how to come out of the desert, it is very important to pray and know how to listen, because at the most arid moment, a word could save you from a situation.

My Son experienced 40 days in the desert and, as a human, he knew what earthly life represents, and how demanding it is to transcend the human condition, although not impossible.

When you are in a desert, you lack water, which is essential to survive this experience. This water is the life in Christ, which brings the possibility of crossing the desert with courage and determination.

And when you come to the moment of darkness in the desert, it is when you have the possibility of knowing reality and defining it. In this culminating moment, My Son is attentive with His Gaze, because He hopes that you can overcome it and thus be encouraged to take the next step.

The darkness of the desert is the most painful, but the most important moment because it is when the whole Universe is waiting for the light of a new Christ to emerge from the ruins.

This is nothing poetic, it is a truth felt within each of the cells, an experience that must lead you to go beyond yourself, so that you may see how it is possible to reach beyond your possibilities, for one cause, for love.

Never stop asking for the arrival of light within the desert, the time is now.

I thank you for responding to My call!

Your Mother, the Virgin Mary, Rose of Peace
