DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

When souls truly surrender to My Heart, they assume the commitment of enduring, together with Me, for the conversion of the world.

This is the occult meaning of the covenant that hearts can make with their Master and Lord.

In this sense, I am not speaking about extreme suffering, but rather about a path that will begin to be trodden after this covenant is established between Heaven and Earth.

The covenant with Me means to offer oneself in silence and with gratitude for everything that is to be converted and also for everything that perhaps does not belong to the learning of the soul or the consciousness.

This covenant, which is experienced and accepted by those who are Mine, is a step for approaching the path of the spiritual death of the self and, above all, a step towards the Christification of the inner consciousness of each being.

This is why I cannot offer the covenant to all at the same time.

On this occasion, I need to wait for the exact moment to be able to request a physical and spiritual covenant with Me; this does not mean that the soul will be freed of all its tests. With this I want to say that the covenant with Me requires experiencing greater tests for the redemption of the personal consciousness and also the redemption of humanity.

This covenant means the culminating moment, the reason for taking a greater step in the possibilities of loving and forgiving.

The covenant with Me means to accept new deserts, live greater sacrifices and offer the self as a justifiable victim of My Love to atone for the very serious errors of humanity.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master, Christ Jesus
