Message for the Vigil of Prayer, received in the Marian Center of Aurora, Paysandu, Uruguay, transmitted by the Most Holy Mother of God to the visionary Sister Lucía

My dear children,

Today My Heart wishes to make a special prayer request from you for the world. I come accompanied by the celestial hosts of the Kingdom of God so that through the intervention of your hearts, My angels are able to come to the aid of the nations of the world.

I want to ask you to especially pray for India, for Egypt and for Kenya, which on this day are in need of much help to defeat the threats of the enemy.

I ask you to pray a lot so that My Marian missionaries are able to accomplish the Mission of reaching India, because the reason for their presence is not only to provide service and the giving of self, but also of carrying My Heart in their hands, so that it may be given to those most in need.

My dear ones, My Immaculate Heart needs to reach those nations to consecrate them to My Heart and to protect them from all the evil that is expanding.

Sometimes, the ignorance of those who live in the darkness does not allow them to see the true spiritual needs and, in this way, the enemy takes advantage of the ignorance of My children to close the doors of the nations with seven keys.

If you pray with love, with devotion and make a true offering to God for bringing relief to the world, the Light will be able to reach the hearts that today are in darkness, and will be able to remove the blindfolds from the eyes of My children, so they may perceive a greater reality and recognize My Immaculate Presence in My soldiers.

Today I also ask you to pray for all the children that live in Kenya, all the little souls who violently balance their debts with God, so that through the merciful prayer of your hearts, this unfathomable Source of Mercy may be poured out over all those little children and also over the ones about to be born.

My dear ones, the times are speeding up, the final moment of this purification the world is now experiencing is drawing closer, and it is urgent that your hearts begin to pray.

Trust in the Voice that guides you, because My eyes contemplate the needs of the entire world, not only of those who hear Me. Those who today are listening to My Voice must respond quickly to My call, so that this call expands throughout the world and reaches those most forgotten hearts. This is achieved, My children, most of all through true prayer.

On this Friday of restoration and of preparation for the Saturday of Mercy, unite with the Most Chaste and Most Sacred Heart of Saint Joseph, so that He may help you and teach you to be intercessors in the light of God, so as to benefit the whole world.

The nations farthest away from My Heart are in need of much help and much collaborating prayer. Thus, together with Saint Joseph, place all of Asia in your hearts and lift up a merciful request for aid to the Heart of God; ask Him to send His hosts of Light, to pour out His Pity and His Mercy over these children who are so greatly in need.

Pray, pray much, so that the Plans of God may become a reality and this world may become a luminous world, consecrated to the Heart of the Creator and responsive to His Celestial Will.

I thank you, My dear ones, for following My Marian Mission for peace on Earth.

Mary, Mother of the Divine Conception of the Trinity
