**DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

The treasures of Argentina that are not unveiled, which are not physical but spiritual, are held and widespread from El Calafate through San Carlos de Bariloche, Villa La Angostura, Mendoza to the precious summits of Jujuy.

Argentina is the spiritual cradle of the inner Brotherhood of the Hierarchy, and a great confraternity silently works in these spaces in order to support humanity.

Argentina is the region of the planet with the most contact-beings present on the surface of the Earth and which, in most cases, were members of the inner Brotherhood of the Hierarchy. The majority of those contact-beings will place themselves at the service of the spiritual Hierarchy in this acute cycle of humanity.

These suns and stars on Earth will be known by their fruits rather than their abilities and skills, because only Christic Love will awaken them, and no other movement will manage to do so.

They are consciousnesses that will come from unimaginable experiences of life and that, within themselves, hold an ardent devotion to the Hierarchy.

They will not flaunt absolutely anything about themselves and will not receive recognition nor any prominence. Their silent, anonymous and unconditional service will identify them.

In this way, Argentina will count on souls strengthened and safeguarded in prayer, which will offer their lives and their hearts at the service of the Greater Plan.

These sacred spaces, present at different points of the Andes mountain range, will be their reference and their spirituality in the most acute moments of the Earth, and these will help them to maintain their faith in the Love of Christ.

Those contact-beings will be similar or equal to the Fathers of the desert, who gave their lives to support humanity.

But they will not be isolated from society; rather, their example of love, of goodness and of service will give impulse to the occurrences and will keep hearts open so that all may survive in this final time.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
