DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

What I most love is to be able to guide My sheep and that My sheep accomplish, in obedience and in love, all that I tell them.

That is the principal reason for being here again on Earth. There would not be any other reason, because My life exists because My sheep are present, who I love with all of My Heart, which I contemplate with devotion and reverence so that they always dare to do the good and to live for celestial peace in My Name.

But when My sheep do not listen to Me and do not trust in what I tell them, I can do nothing, only observe and wait.

In this time, I no longer want to see My sheep suffer because of their own mistakes and deceits. I promise you a fertile and fruitful soil to manifest the New Earth.

But in truth I tell you, this is the time of the definition of those who will be with Me or not, and that will depend on the trust and the faith that you give your Master and Lord.

There will no longer be any time to justify yourselves nor to place the responsibility on your brothers and sisters because of your own actions. This is the time of adulthood and of being able to see everything with maturity, without emotions or lamentations.

This is the time to give everything for Me or to retreat. It is no longer the time for the tepid of heart. I need you present in the love that surrenders without conditions nor personal benefits.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
