DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Let the Light of God be born within you

Dear child,

All shall pass; trust fully in the designs that come from the Highest and your consciousness will not suffer from any resistance.

Let the Will impregnate your being so that the Project of Christ may be fulfilled in your life.

Participate in the great decisions of the Plan and unite yourself unconditionally to them. Thus, My child, you will know where to walk through, you will know which direction to take and you will not be lost.

Believe that above all, and even more so above yourself, it is the Father is Who gestates everything under the principle of His infinite Thought.

Today, I come to make you a proposal of experiencing the changes that are necessary for the Work to be built in union with your brothers and sisters.

Thus, with a renewing spirit, in an unbreakable unity, take forward that part of the Plan that corresponds to you in this new stage with joy, and not with discouragement.

This shall always give you an impulse to get out of yourself, to not let yourself submerge into unnecessary inner pains which later end up sickening the body due to its resistance.

Let the Divine Purpose break down all structures within you.

Allow My Son Himself to make of you the perfect design of His Divine Will.

Thus, dear child, you will not delay your steps anymore and you will open the doors for other brothers and sisters to receive great opportunities like those you are receiving at this time.

Fear no longer to say "yes".

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
