**DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS TRANSMITTED IN THE MONASTERY OF THE CONFRATERNITY OF THE LORD, GUATAVITA, CUNDINAMARCA, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

On the eve of the destiny that Uruguay and Argentina will decide in the coming hours, the divine and universal Hierarchy withdraws from the scenario of the Planet to contemplate in silence, vigil, and prayer all that will develop on the inner planes and that will immediately reflect on the material plane.

Beyond an election or a decision, what is most important will be what each consciousness reflects in the moment of choosing: who will condemn, even further, the nations of Uruguay and Argentina, or who, beyond their errors, will try to move forward a people that is chosen to receive Christ.

This is the moment of going inward and of imploring God, because once again, from the decisions that the people make, the consequences will immediately knock on the door of each consciousness.

Brazil is a clear and precise example of what must never again be chosen.

The human being has not yet learned to discern, since the influences of the fantasies and of the hollow political promises that they experience deceive them and tempt them to decide for another human being that is as imperfect and weak as they are.

At this moment, only seek union with higher spheres, so that the Holy Spirit may be the one to dictate to each heart what it must do, rather than have the stimuli and political fantasies interfere. Because in truth, I tell you: there is no nation at this moment that is being governed with fidelity and transparency.

The power that humankind believes it has is like a puppet with two heads. With one head they promise and with the other they confuse and take what does not belong to them.

But do not worry, because when I return, I will stop these games that only lead to a loss of confidence in all terrestrial life.

Uruguay is already on the verge of the abyss. One further false move and it will repent for the rest of its existence. But I will not abandon the Uruguayans that are faithful to My Word.

I am praying for everything and for everybody.

The hour has come, just like My hour on the Cross came.

I thank you for keeping My Words in your hearts!

Who blesses and prays for Uruguay and Argentina.

Your Master and Lord, Christ Jesus
