**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Embrace strongly the call to conversion that My Immaculate Heart pronounces to each one of your lives. Recognize, dear children, that the conversion will be accomplished through the exercise of the prayer of the heart. Always live in the aspiration to a life within the Laws of the Lord. May your spirit and your little soul remain in this Kingdom and may nothing allow them to descend from It.

Dear children, My Maternal Voice calls you month by month to remind you about the importance of the conversion that must be manifested in your thoughts, in your feelings and, above all, in your essential life. And this will begin through the path of prayer.

I want to lead you to live in the Divine Presence that is called Love in the Heart. My little ones, to receive this Celestial Grace of Divine Love, you must feel and act in the name of this Love so that, strengthened by prayer, you may help many of My children who are losing this Primordial Essence of God.

Also, dear children, you will see the world in the way it is seen from the Universe of God and you will also see the great separation that exists between souls and My Son. He shows you the path towards the new, the Sacred and the Divine. Therefore pray, and do not stop praying in order to help all those who need to live this Divine Love in this definitive time.

My children, supplicate, aspire to live in the essence of this Love so your life will be in God, it will be repaired, and any pain from your hearts will be erased.

In joy, purify your feelings and accept My arms so that the Light of My Maternal Heart may illuminate the path to redemption for you. The Love of God must be the premise of prayer for all My children because in Love you will find Celestial Peace.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
