DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?????

Dear children,

During this new year of Jubilee of the Mercy of God, may your souls participate fully in the indulgences that will be granted.

I would like, My children, to have your more awakened hearts motivate other children of Mine so that they can rethink their way of life in face of the need for service and for humanitarian help throughout the world.

I would like you, the apostles of My Son, called to serve by means of works of Mercy, to awaken the spirit of Divine Mercy of God through the groups of prayer, especially in those children of Mine who have completely separated from the Love of God from the moment in which they were absorbed by the material and superfluous life of this world.

I hope, My beloved children, that the path towards the Mercy of God may be undertaken by all pilgrims, especially by you who have already lived, day after day, the Mercy of God. Thus, you must stretch out your hands in persistent giving of self so that Mercy may completely fill those who have been lost.

For this reason, dear children, may this Jubilee of the Mercy of God be further disseminated to those hearts who do not know the Compassion of God and to those who have forever blamed themselves for mistakes made.

The Aspect of the Mercy of God is not very widely known; it is for this reason that through the Rosary of Divine Mercy, souls will access a precious fountain of atonement and of conversion, liberating themselves from constant error.

Dear children, as Your Mother of Mercy, I give you this important key that through the Jubilee will open a path toward the redemption of humanity.

I thank you for responding to My call!

Who, celebrating the Jubilee of Mercy with all My children, blesses you,

Your Mother Mary, Rose of Peace
