**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS**

Be firm in prayer and in unity with your brothers and sisters, in the certainty that you are in the right place and that, in this time, there is no other place to be except for where the Hierarchy is, where God allows you to serve the planet and awaken love.

Silence the doubts in your heart, strengthening your faith. Pray for peace in the nations because, in this way, you will not only be clamoring for the planet but creating a network of light that, through the unity between those who pray, consolidates and protects the Work of the Divine Messengers in the world.

The Prayer for Peace in the Nations, child, was a Grace granted to you by God so that, wherever you are, you feel united to your brothers and sisters and, above all, to your Celestial Mother. In Her Divine Heart, the Most Holy Mary welcomes all the pleas and true intentions and converts them into a source of redemption and salvation for the souls and for the Kingdoms of Nature present on the planet.

Know, child, of the importance of the *Prayer for Peace in the Nations* in times of transition because your words, uniting with those of your brothers and sisters, overcoming borders and differences, will keep within all of you the Graces that the Father granted you; it will help you to multiply them and mature them within yourself so that they may transform you into a peacemaker in this world, which needs peace so much

If you pray, everyday, for peace in the nations and embrace this purpose as a priority in your life, you would be opening the path so that the Mercy of Christ, your Lord, would continue to pour out over the world and so that your Heavenly Mother may grant the world a greater time of peace; a peace that does not depend on all the events that accelerate on Earth, for within you it would be immutable.

Trust in what I tell you and pray for the establishment of peace, so that, just like you, other beings of the Earth may awaken and feel the Peace and the Love of God in their hearts.

Your Father and Friend,

The Most Chaste Saint Joseph
