**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

Today I call you to live in the Eternal Grace of God, of His providences and of His splendorous gifts, one of them being Peace, the Inner Peace that I, as Mother and Queen of Peace, want to awaken in your hearts.

But if your hearts have little trust in My Maternal Purpose, how will My Peace reach you?

Your hearts must become new, pure and crystalline containers so that My Son may fill you with His Merciful Graces of Redemption and Forgiveness.

When you, My little ones, reach the inner state of emptiness of self, I will be able to say that your lives are truly surrendered to the Will of God.

While the world faces its own miseries, I come here to your encounter to guide you towards Eternity.

Dear children, the only thing left in this time is to pray more, to pray much. As representatives of this humanity you will be able to intercede with Me for all the other children who must receive the Grace of Reparation and Redemption. I count on you until the last moments of your lives. My Maternal Heart, like the Most Holy Heart of Jesus, knows the origin of your little essences well.

Dear children, I tell you that it is time to act as true soldiers of prayer, consecrated to the Light of My Immaculate Heart. Day by day I try to correct your lives with harmony, as a kind Mother, so that you may find the only Celestial Door that will take you to the feet of God.

My children, today I call you to live each prayer with fervor because the Heart of My Son Jesus is listening attentively to the supplications of this world.

Trust Jesus, trust His Unfathomable Mercy!

My Immaculate Heart takes care of you so that all may be saved, in Jesus and for love of Jesus.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
