DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Never tire of fixing your consciousness in God, beyond everything that happens within you or around you.

That spiritual attitude will allow the higher Laws to come to the aid of your consciousness and any situation, spiritual or interior, may be resolved.

Trust absolutely in the nonmaterial purpose that God created for your existence and, based on that truth, carry forward this life full of challenges and trials.

But never get discouraged nor fall asleep. Make every moment count as if it were the last; make each stage of life result in the learning of love and of forgiveness.

God does not seek the perfect things within you because He already knows everything, He already knows everything that you do not know within yourself.

Therefore, the Celestial Father is waiting for the right moment to ask His children for new steps. But those steps will be taken and delivered as you love detachment in your lives.

Because, in truth, few will be those who will give everything to the Lord for the constitution of His Purpose and for the divine realization of His Will.

Therefore, as a Mother, I know what it means to divest oneself and how much that causes pain, delays and stagnation. But the light of the spirit of faith will prevail. Be calm and trust, there is no obstacle or barrier of consciousness that cannot be overcome.

Do not stop rowing until you can find the safe harbor of the Lord's Heart.

I thank you for responding to My call!

Who Blesses you,

Your Mother Mary, Rose of Peace
