Daily Message received in the Marian Center of Aurora, Paysandu, Uruguay, transmitted by the Glorified Christ Jesus to the visionary Friar Elías del Sagrado Corazón de Jesús

In the end, My Work will always be fulfilled in the simple hearts, a place and enclosure where I will be able to move My Plan of Love forward and I will be able to radiate it to the ends of the Earth.

Silently, I am found in the heart of the humble, in all those capable of representing Me with humility, transparency and purity. I will always reside in those hearts, I will always be present to welcome the needy, the sick, the dying, the one who has not yet found My Light.

In the heart of the humble, I vivify My Project and, time after time, accomplish the requests of My Father.

Through the hearts of the simple, I can uplift the consciousness of humanity and sanctify those who enter My Path for the first time.

In the heart of the simple, I trustingly place My Celestial Church and have the humble hearts participate in My Gifts and in My Graces.

In the heart of the humble, I find the poverty and the void, the simplicity and the peace to be able to return and bring relief to My Spirit.

I thank you for keeping My Words in your heart!

Who blesses you,
