WEEKLY MESSAGE OF SAINT JOSEPH, TRANSMITTED AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

May Your Reference Be in God

May your reference be in God. The One Who, being All and being in all things, hides in silence within the hearts of humanity.

May your reference be in God. The One whose Power holds the true meaning and definition of this word. There is no power that does not come from the Creator and, yet, He never imposes Himself upon His creatures but rather waits for their "yes" and their willingness to take the steps on the path of return to the Celestial Origin.

May your reference be in God. He Who, having all things, lives nothing but constant renunciation, to reveal to creatures the essence of the void, of the poverty of the self and of humility.

May your reference be in God. The One Who loves unconditionally, Who does not seek perfection, but rather the truth and purity of intention.

May your reference be in God. The God who goes silent, Who humbles Himself, Who surrenders, Who abandons Self in order to multiply Himself in His children; Who gives growth opportunities to all. God Who redeems and forgives when souls repent of their mistakes. God always ready to start again, silent before the indifference, humble before the denial, compassionate before the ignorance, fraternal in joys, sharing the happiness on the path of His children.

May your reference be always in God and in no other. Observe the Father and not humans. Do not justify your errors with the errors of others, but seek, child, to always renew your only reference of Love and Evolution in God. Love as He loves and walk on His Paths. There you will find the meaning of your existence and the strength for your evolution.

Your Father and Friend,

Most Chaste Saint Joseph
