DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

When there is unity of purpose, it is possible to carry out the Plan of God and, thus, it is possible to fulfill the Divine Will in its different stages.

For that reason, children, the unity of purpose among beings is a reassuring sign for the Universe of God, because it is the evident answer that souls, beyond personality or ego, are understanding the meaning for which the Superior Will brought them to Earth.

Unity of purpose allows us to place our attention and our consciousness in the Purpose that Christ must carry out in these times. This unity generates adhesion and, at the same time, attunement among the consciousnesses that integrate it.

It is this time, this unity of purpose will allow souls to go through the end of times having very present the goal and meaning of being able to manifest the Plans of God on Earth.

The unity of purpose collaborates so that any consciousness may focus its attention on the realization of the greater designs, and by living this unity, every day, it may come out of itself to become part of the whole.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
