DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF LA CUMBRE, CORDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

While very important decisions are made, after the last 8th of August, unexpected situations are defined within this planetary consciousness, and the nations of the world, little by little, are placed before the Universal Judgement.

This means that, depending on what the consciousnesses choose in the coming time, is how the end of the times will be shown, and nobody will be able to stop the results coming from this election.

Thus, souls must pray so that the events do not surprise them overnight and so that everything you may see and witness not be too intense for you.

With your prayers, place the nations within My Mercy, even though some nations may have closed their doors to God through their ignorance and indifference.

May everything and everyone enter into My Mercy so that, on some level of consciousness, something may receive the chance and the grace that it so needs.

I only ask that you be strong in prayer and peaceful in service; in this way, you will also help other brothers and sisters during the time of the great and definitive events.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
