DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

While My prayerful children pray and take up praying the Holy Rosary as a priority, at this moment, your Heavenly Mother draws closer on the inner planes to the hospitals, the institutions and the places in the world that are going through this humanitarian crisis of health.

It is through those who pray the Holy Rosary from their heart that I have the permission to intercede and to send the angels so that they may provide support and inner strength for the doctors, nurses and health assistants that with courage face this pandemic of the end of times.

The more hearts assume praying the Holy Rosary with love, the more souls will be assisted and also, mainly the souls that suffer the consequences of these times will be considered by the Divine Mercy of God.

For this reason, My children, at this time, I invite you to reinforce the prayer of the heart so that your Heavenly Mother may help bring the situation to an end that has affected the planetary mental plane, a situation that will be dissolved through everyone's prayer.

I am united to those who respond to My call.

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
