DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

In times of epidemics, may prayer reign, so that prayer itself may be the spiritual and material shield that protects you along with your guardian angels.

In this time, may your hearts reaffirm your commitment to prayer because humanity and the planet need it.

So that this epidemic may be dissolved from the consciousness of the planet, it is necessary, My children, that when you are by yourselves, in family and in your homes, altars of prayer be built so that the current situation may return to normal.

For this reason, concentrate, and do not become distracted; go to the correct source and I assure you that you will begin to know the sublime powers of prayer.

Reinforce your important commitment to the Holy Rosary and make of the Rosary the weapon of defense against all darkness and tribulation, for in this way, your families will also be protected and will not lack peace.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
