DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

On this day, in which the infinite ocean of the Mercy of God is expressed through His beloved Son, the souls that were congregated by the healing Light of Saint Raphael the Archangel are now receiving the spiritual and inner assistance they need.

Meanwhile, Saint Raphael the Archangel sends His armies to gather the most miserable souls, which remained imprisoned in illusion and error. Through today's prayer, these souls receive a new opportunity to become aware of life and the purpose for which they are here.

The Saint Raphael the Archangel reaches the spaces of the planetary consciousness where the majority of human beings only know pain and suffering and, through the light of the prayers of peacemaking hearts, these souls are also withdrawn from these levels of consciousness so that, through Divine Mercy, they may enter the Source of healing and restoration.

Continue to pray to the Saint Raphael the Archangel so that the end of this pandemic may free hearts from oppression.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
