DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Be merciful with those who most need redemption and who become lost in their arrogance, pride and vanity. Remember that perfection dwells in God and that everything that exists on this Earth is in the process of evolution.

Love the growth of your brothers and sisters so that they may find in you an impulse for transformation and not a wall of where to stop.

Be merciful with those that least deserve it, for this is the essence of Divine Mercy.

Be merciful with yourself, not in order to indulge in your faults and miseries, but so that you, as a miserable being, may also receive Divine Mercy, and be a bearer of that grace toward the Earth.

Mercy is the essence of life. God created humankind with an act of Mercy and, by the same action, He makes them walk the path of return to His Heart.

In this life, in order to reach God, it is enough to open oneself to receive Mercy, to allow oneself to give Mercy and, above all, to become an instrument of this Divine Source.

Your Father and Friend,

The Most Chaste Saint Joseph
